Interesting Meeting of Vass Woman's Club

Cancer is Topic for Discussion in Program at Home of Mrs. N. N. McLean

One of the most instructive programs given in the Vass Woman's Club in recent months was that on cancer presented by the public welfare department at the monthly meeting held Friday evening at the home of Mrs. N. N. McLean. Mrs. C. A. Lawrence, chairman of the department, introduced the subject, telling of the alarming death rate resulting from this disease. Mrs. Bertie L. Matthews gave an article on "What is Cancer?"; Mrs. S. R. Smith discussed "How to Know Cancer," and Mrs. R. L. Oldham gave information as to the treatment of the disease. "Cancer is Curable" was presented by Mrs. H. A. Borst, who stressed the fact that ignorance is one of the great handicaps in conquering this malady. The importance of early recognition and treatment of cancer was stressed throughout the program.

Mrs. Oldham gave a report of the work done in fitting up a lunch room in the local school and Mrs. Lawrence told of the first grade clinic that was recently held, arrangements for which were made by the public welfare department. Mrs. Borst was named to receive and distribute magazines which the club women were asked to donate for the colored people here. A check-up revealed that four of the five departments of the club had one hundred percent attendance, and the president announced that recognition would be given at the November meeting to that department which had made the highest record for the preceding quarter as to attendance and work done.

Following a delightful social hour the hostess, Mrs. McLean, Mrs. Oldham, Mrs. Lawrence and Mrs. D. C. McGill, served refreshments. Mrs. Alton Wheelock of North Collins, N. Y. was a guest of the club.

The Week in Vass

As a surprise to W. T. Cox, a number of his relatives and friends, upon invitation of Mrs. Cox, gathered at the home on Vass Route 1 last Sunday to celebrate his 66th birthday anniversary. Tables were spread in the yard and a bounteous picnic dinner was served.

The Presbyterian auxiliary met at the manse an afternoon last week and Mrs. J. M. Tyson, assisted by Mrs. R. G. Rosser and Mrs. D. C. McGill, presented a program on the "Home Mission Harvest." A little first grade girl at the Vass-Lakeview school was asked if she liked to go to school. She replied: "No! It's just thet'tin' and thet'tin' and thud'yn' and thud'yn'." We feel confident that she was not expressing the sentiment of the majority of the youngsters, for they are a happy group.
