

Peach Growers!

WILL YOU DISREGARD THE TYPE OF TREE YOU ARE GETTING AND BUY ON PRICE ALONE OR WILL YOU TRY AND SECURE A WELL GROWN THRIFTY TREE AT A FAIR PRICE? The kind of tree you start with can mean the ultimate success or failure of your new orchard. THE AMOUNT OF PEACH TREES AVAILABLE THIS YEAR IS FAR BELOW THE AVERAGE SUPPLY AND BECAUSE OF GENERAL CONDITIONS MUCH INFERIOR STOCK MAY BE OFFERED. We have kept up our production of trees and are fortunate in having a normal growing season so that our trees are as fine as it is possible to produce. WE HAVE ABOUT 250,000 PEACH TREES IN ALL GRADES AND VARIETIES THIS YEAR, including the—

GOLDEN JUBILEE

WHICH BIDS FAIR TO BECOME THE LEADING EARLY PEACH OF THE SOUTH. Our personal supervision has enabled us to bring the varieties to their highest state of perfection by bud selection from large bearing orchards. WE KNOW OUR TREES ARE TRUE TO NAME AND FREE FROM ANY INJURIOUS DISEASES. We OFFER THE BEST IT IS POSSIBLE TO GROW AT A FAIR PRICE. Remember that a poorly grown, cheap tree is expensive at any price. WE HAVE A COMPLETE ASSORTMENT OF ALL CLASSES OF FRUIT TREES, BERRY PLANTS AND ORNAMENTALS. SEND FOR FREE CATALOGUE AND SUBMIT YOUR LIST FOR QUOTATIONS.

FOR THE LEGISLATURE

HERBERT F. SEAWELL, JR.

He Is Worthy and Well Qualified

"With 3,000 homes ordered foreclosed for taxes in Moore County it is time we opened our eyes to the truth; readjustment of our tax problem is imperative. I am not bound to win but I am bound to remain true; I am not bound to succeed but I am bound to live up to what light I have. No man can serve two masters. I have no allegiance to any political ring or faction, and I have room but for one soul loyalty and that is loyalty to the people of my County and State."—H. F. S., Jr.

The right and benefit of the vote is an important privilege. The voters of Moore County ought to extend to this young man an overwhelming vote of confidence which he so rightfully deserves.
