

### 139 of County's 1934 Babies Are Reported

#### Parents Urged to Send in Their Cards to Complete U. S. and State Records

Moore county parents are starting their reports to Washington of the births of children born in the county during the past 12 months. Cards mailed during the first two weeks of the "Register Your Baby" campaign show that 139 children have been properly registered.

This is compared with 564 children which were recorded as having been born in this county during the year 1933, as shown in the files of the Bureau of Vital Statistics of the State Board of Health in Raleigh. Parents are urged by John H. Hamilton, director of the Bureau, to send in these cards as early as possible.

North Carolina had 75,238 births properly recorded in 1933, and incomplete figures show that 79,350 births had been recorded for 1934, by which Dr. Hamilton estimates that enough more will be added to make the number of births in the state last year 80,000, or more.

With almost a 5,000 increase in births in 1934 over those in 1933, as shown by the records, it is believed that North Carolina has the chance of again taking her place at the head of the list in birth rate, a position held for many years but from which she was dislodged last year by New Mexico, and tied with Utah for second place.

Complete recording of births is being urged in the state by the U. S. Bureau of Census, the State Board of Health and the State Emergency Relief Administration.

### Lost 20 Lbs. of FAT In Just 4 Weeks

A St. Louis, Mo., lady wrote: 'I'm only 28 yrs. old and weighed 170 lbs. until taking one box of your Kruschen Salts just 4 weeks ago. I now weigh 150 lbs. I also have more energy and furthermore I've never had a hungry moment.'

Fat folks should take one half teaspoonful of Kruschen Salts in a glass of hot water every morning before breakfast—a quarter pound jar lasts 4 weeks—you can get Kruschen at Broad Street Pharmacy or any drug store in America. If not joyfully satisfied after the first bottle—money back.

## YOUR ELECTRIC WASHER DOES ALL THE WORK

Join the many, many thrifty Carolina women who dread wash-day no more. Now it's easier than ever before to own an electric washing machine. If you do your own washing, you owe it to yourself and your family to have this work-saving, modern helper. And folks who have washing "done on the place" are always happier with the greater cleanliness and sanitation of electric washers. Clothes are whiter. Last longer. Washing costs less. And with an electric ironer, you have complete washday freedom.

### No-Extra-Cost Electricity Can Run Electric Washer For You

It may not cost you a penny to use this electric washer.

If you used just \$2.00 or more electricity last February . . . and you use the same amount this year . . . you are entitled to extra electricity without any extra cost. Your "No-Extra-Cost" Electricity will be more than enough to run your washing machine for a month.

### Liberal Terms Make Buying Easy

Select your washer and pay only 10% down (but in no case more than \$10.00). Then you have 18 months to pay the balance. You can really pay for it with the savings you enjoy by washing electrically. You have the same easy terms for the Electric Ironer. And if you buy both together, you pay only \$15.00 down and have 24 months to pay..

Your dealer, too, will gladly demonstrate electric washers and ironers. Call today.
