

### C. M. T' Camps To Take More Men This Year

#### Roy McC. Butler of Aberdeen in Charge of Enlistments For Moore County

Roy McC. Butler of Aberdeen has accepted appointment as county representative for Moore county to assist local youths to qualify for this Summer's Citizens' Military Training Camps, it was announced yesterday.

The county representative also made it known that public spirited physicians of the county have again volunteered their services to the Government and will give free physical examinations to candidates for the training camps.

Young men of this county should apply for those examinations to Dr. T. P. Bowen of Aberdeen.

A recent increase in appropriations by Congress has more than doubled the number of men who may attend the camps this year, and all youths between 17 and 24 years are eligible to apply. The Government pays such necessary expenses as transportation to camp and return and furnishes wholesome food, uniforms, laundry service, and athletic equipment.

The camps run for thirty days and attendance does not obligate the candidates for future military service of any kind.
