

## Hundreds Attend Dedication Exercises at Eureka Church

### Sons of First Pastor Preach at Morning and Afternoon Services

Eureka Presbyterian Church held a memorable dedication service last Sunday, June 30th. The Rev. J. K. Roberts, Jr., of Point Pleasant, West Va., and the Rev. Phillip Roberts of Staunton, Va., preached, and the pastor of the church, the Rev. W. S. Golden, presided. The arrangements for the day were in the charge of a committee headed by John Martin Blue.

Several hundred people attended the services, held at 11 a. m. and 2 p. m., with a dinner period between. Many took of the bountiful dinner served under the trees. Special music added much to the day's pleasure. Miss Myrtle McCaskill as pianist, and the Eureka choir, were aided by Mrs. M. G. Dalrymple and Mrs. R. W. Pleasants and T. Sloan Guy, Jr., and Wesley Caviness, of Carthage. The Rev. T. Sloan Guy and the Rev. I. N. Clegg of Carthage also assisted in the services.

The two young ministers who preached were sons of the late Rev. J. K. Roberts, D. D., the first pastor of Eureka Church. Dr. Roberts was for 19 years pastor of the Carthage and Union churches, doing a notable work long to be remembered in this section. Seeing the need at the Farm Life School, he organized a church which held services for a number of years in the school auditorium. In 1924, during the pastorate of the Rev. Charles E. Clarke, the present building was erected, though not completed fully. During the past winter the Sunday School rooms in the basement have been finished.

The church has been free of debt from the start. It is an attractive brick structure, seating about 300 people in the main auditorium, with five class rooms in the basement. The pews and furniture are of oak, attractively designed. The whole building is equipped with a modern heating system and electric light. During the school term the church is attended by a large number of the teachers and pupils of the Farm Life School, which is next to the church property. The following ministers have served the Eureka Church as pastor: Rev. J. K. Roberts, D. D., Rev. C. K. Taffe, Rev. Charles E. Clarke, Rev. Charles W. Worth and the present pastor, Rev. W. S. Golden, who has served the church for the past six years. Although one of the younger churches of the county, Eureka has done a good work, and faces the future with bright hopes of increasing usefulness.

## Mercury Over 90 20 Days in June

### Ranged From 41 on 11th to High of 100 on 18th, with Little Rain

The prediction for June, "Precipitation and temperature normal," is belied by the records which disclose an unusually low rainfall and an abnormally high average of temperature. Only 1.49 inches of rain fell during the month (one inch on the 4th), this amount being 6.74 inches less than last June, and 3.58 inches less than normal, making the deficiency for the year 5.14 inches. Fruits and crops in the Sandhills all show the lack of moisture.

Summer came in on the 22nd, a pleasant clear day, but the month brought 20 days above 90, registering 100 on the 18th and again on the 28th, with a surprising low of 41 on the 11th. With only two days at 100 the month records an average temperature over the high of last June running one-half a degree over that month, and 2-2 degrees above the long time average.

Long time Average	Max.	Min.	Aver.
88.5	88.5	65.4	76.9
1934	91	66	78.6
1935	92.2	66.1	79.1
