High School Defeats Cameron at Baseball

Southern Pines Wins First of Series of Fall Exhibition Games

Baseball fans are having an opportunity this week and next to see what next spring's edition of the Southern Pines High School team will look like. Five exhibition games have been booked for the local nine for this fall. One game has been played, the locals disposing of Cameron High School 9 to 4 here on Tuesday.

In Tuesday's game Parker pitched well for Southern Pines, holding Cameron to five hits. His support was erratic at times, placing him in several tough spots, but he came through in the pinches. The locals bunched timely hits by Beck, Boney and Newton with Cameron errors to account for their runs.

The Southern Pines line-up is as follows:

Pate, cf; Spaeth, 2b; Beck, 1b; Boney, c; Newton, 3b; Buchan, ss; Fields, lf; Stroud, rf; Parker, p.

The high school is fortunate to have the services of Philip J. Weaver as coach. Mr. Weaver is not only familiar with the science and technique of both baseball and basketball but he has also had years of successful experience as a player and coach.
