**WATCH A MAN DRINK HIS FIRST "Canadian Club"**

Maybe he likes Rye. Perhaps Bourbon's his favorite. He may be a Scotch enthusiast. Well, watch him with his first "Canadian Club." Mind you, it may not be his favorite type of whiskey—until then. You see, "Canadian Club" Straight Whiskey has a mighty pleasant surprise in it for every sort of taste. It's distilled by HIRAM WALKER. Bottled in Bond in Canada 6 years after going to barrel.

**HERE'S YOUR SECRET**

We'll guard it well. If you want a gift that'll get a genuine greeting, yet which won't cost a fortune, give HIRAM WALKER Twin Seal. Fine, mellow straight whiskey, produced with the knowledge HIRAM WALKER has gained from 77 years in distilling fine whiskies.

**It's a HIGHBALL Whiskey**  
**YOU DON'T HAVE TO HIDE "TEN HIGH" IN A COCKTAIL!**

The real test of a fine whiskey is in a highball or straight. HIRAM WALKER's Ten High Straight Whiskey is definitely a highball whiskey—a smooth, tasty straight whiskey which needs no "muffling" with friendly cocktail flavorings. Of course, that makes it so much the better as the chassis of a cocktail. And look at the price!

**NEVER AN UP OR A DOWN IN THIS FINE GIN**

**DISTILLED FROM GRAIN**

"Say," said a friend, "just as I get set on a cocktail recipe and think I've got the perfect combination, the next time I try it the cocktail tastes different." "Yes," we replied, "that's the funny thing about Gin. It's hard to control the smoothness and flavor of all its ingredients. It took us years to discover how. Stick to your recipe and HIRAM WALKER's Distilled London Dry Gin, and your cocktails will click every time." Code 000 Fifth \$0.00
