

PINEHURST VINEYARD CO. GETS INCORPORATION PAPERS

Concrete evidence of definite plans for the revival of the grape industry in the Sandhills was revealed this week in the incorporation with the Secretary of State at Raleigh of The Pinehurst Vineyard Company of Pinehurst, "which will make and sell all kinds of vinous products under 1,000 shares of authorized capital with 30 shares subscribed."

The incorporating directors are W. H. Reinhart of Sandusky, Ohio; F. W. McCluer and J. Talbot Johnson of Aberdeen. Mr. Reinhart was interested in the grape industry in this section before prohibition days and is understood to plan to again start production in the old Vina Vista section.
