## IN SCHOOLS IN 3 TOWNS

Safety patrols have been organized in the schools in Aberdeen, Pinehurst motion of safety for school children. The Southern Pines patrol is made up of the following seventh grade boys: their parts. The other members of William Carter spent last Saturday lieutenant; Charles Patch; Russell Monroe, Ray Hayes, Bobbie DuRant, members of this patrol are first to

### COUNTY TOTALED \$130,358

Moore county tobacco growers received \$130,358 in rental and benefit payments from May 12, the beginning of AAA, until December 31st, 1935, U. S. Department of Agriculture figures released this week reveal. The figures for the country showed relatively small payments to tobacco farmers as compared with other farmers, tobacco accounting for

readily understand these simple A-B-C reasons The Chevrolet engine is the most economical automobile engine produced today, because (1) it is a six-cylinder engine, and (2) it is a value-in-head six-cylinder engine. .. Its six cylinders use less gas and oil-in fact, use the least gas and oil-because six cylinders are the most economical combination used in modern automobiles. . . . Its valve-in-head design cuts gasoline consumption still lower because there is less loss of heat through the walls of the combustion chamber in valve-in-head engines, and the advanced construction of the Chevrolet engine gives maximum heat (or power) saving. ... Most important of all, Chevrolet's more efficient cooling system, pressure stream oiling and the greater accessibility of all working parts result in more dependable operation, over a later period of time, with the lowest maintenan

# Here's your own whisky, SOUTHERN PINES

lickon

You told the Inquiring Reporter you wanted a whisky like this!

### Well, we had it! And here it is!

FLAVOR Betty M. McBride. Dancer: "I want a whisky that really tastes good. A mild, mellow whisky that is smooth and flavory. I've found exactly that in Old Hickory. And the price is right."

**BOOST** Wardell Jennings, European Guide: "I demand a lot from the whisky I drink. It must be smooth and mellow. And it must have an exbilarating boost. Old Hickory wins hands down."

CLEAN TASTE E. J. Van Zandt, Advertising Man: "You can't fool me about whisky when it comes to this. It's got to have a *clean taste*. The cleanest I've tried is Old Hickory."

SMOOTHNESS Mrs. Hal Fitzhugh Lee, Fashion Designer: "I flavor. But-above all-it must be smooth. So I stick to Old Hickory."

We didn't come into town with just another whisky and say: "Here you are, folks. Step up and buy it." We sent the Inquiring Reporter to find out just what kind of whisky you wanted.

A break for us-and a break for you. Because we make a whisky that gives you exactly what you wanted. For Mrs. Lee, Old Hickory is so smooth you hardly realize its strength. And for you, Wardell Jennings, Old Hickory gives you a "boost"-and leaves you feeling like a million dollars next morning.

Try Old Hickory in a highball, an oldfashioned, a cocktail, or "straight." Continental Distilling Corp., Phila., Pa.
