BUILDING AND LOAN HERE HAS PROFITABLE YEAR

A highly successful year for the Southern Pines Building and Loan Association was seen in the report of Secretary-Treasurer Ralph L. Chandler, read at the annual meeting of the organization held in the Men's Club. A profit of six and one-half percent was revealed, and prospects for 1936 were reported as extremely bright. President A. S. Ruggles presided.

The following directors were elected for 1936: Mr. Ruggles, P. F. Buchanan, J. D. Arey, H. J. Betterley, C. L. Austin, H. S. Knowles, F. H. Wilson, D. G. Stutz and L. V. O'Callaghan.

Following the meeting of stockholders the new board of directors convened and elected the following officers for the year: Mr. Ruggles, president; F. H. Wilson, vice president, and R. S. Chandler, secretary and treasurer.

GOODLY SUM REALIZED FOR HOSPITAL AT BALL

(Continued from page 1)

merous generous donations. The Country Club made no charge for the use of the clubhouse. Karl Andrews, manager of the Club Chaifonte, donated his orchestra's services for the evening; Mrs. Charles T. Crocker furnished kitchen and dining room help and the decorations; the daffodils that adorned the tables were given by Miss Jane Ewing, president of the Woman's Exchange; other flowers were given by the Pinehurst Greenhouses, and Clark's Funeral Home in Southern Pines donated an awning.

The usually sedate Tin Whistles room was a glorified gypsy tent with Noreene Ahern, head fitter for Madame Jabaly, rigged up in real gypsy style and very busy telling fortunes with cards. This was another scheme for adding to the hospital's fortune, and every dollar taken in was matched by Madame Jabaly. Needless to say, Noreene was kept busy all evening.

To Mr. Murray, manager of the grill, and his efficient staff and to everyone who in any way helped to make the party a success the Auxiliary extends its thanks.
