**RUPTURE**

H. M. Shevnan, widely known expert of Chicago, will personally be at the Prince Charles Hotel, Fayetteville, Monday and Tuesday only, March 23 and 24, from 9 a. m. to 5 p. m.

Mr. Shevnan says: The Zoetic Shield is a tremendous improvement over all former methods, effecting immediate results. It will not only hold the rupture perfectly but increase the circulation, strengthens the weakened parts, thereby closes the opening in ten days on the average, regardless of heavy lifting, straining or any position the body may assume, no matter the size or location. A nationally known scientific method. No under straps or cumbersome arrangements and absolutely no medicines or medical treatments.

Mr. Shevnan will be glad to demonstrate without charge.

Add. 6441 N. Richmond Ct., Chicago. For 15 years assistant to F. H. Seelye, famous rupture expert of Chicago.
