

**Southern Pines Wins Two Baseball Games**

**High School Defeats West End 6-5 and Shuts Out Aberdeen 5-0**

In an uphill battle that ended 6-5, the Southern Pines High School nine succeeded in eking out a win over a strong West-End aggregation at the local ball park Friday afternoon.

The locals, out to avenge a shut-out, suffered at the hands of the peach-town boys the foregoing Tuesday, overcame a 4-1 lead to forge ahead in the last inning and even the series with the West-End lads. Parker, turning in his third win in four starts, limited the visitors to three hits and was never in danger after the terrible third. Boney and Buchan garnered two hits apiece to feature for the locals.

The Foxes, seeking their fourth win of the season, loosed their big guns on the Aberdeen crew Tuesday and emerged with a well earned 5-0 victory over the visitors. "Red" Stroud rapped out 2 hits, one a screaming homer into left field to put the game on ice. Beck gathered three hits in as many trips to the plate. Newton pitched well for the locals, not allowing any Aberdeen players to get past first base.

Batteries for Southern Pines, Newton and Boney; for Aberdeen, Harris and Windham.

Southern Pines plays at Rockingham today.

**NEED MODERN AIRPORT TO MEET RESORT COMPETITION**

(Continued from page 1)  
Two runways, each 2,500 feet long and 500 feet wide, are being graded and sowed at a cost of \$28,000, not including the purchase price of the land, which was recently acquired by the county at a cost of \$6,500.

Nor does the sum available to date provide for necessary hangars and lighting, he told the Kiwanians. One hangar at least 80 by 100 feet in dimensions is needed, and proper lighting facilities for night landings and take-offs.

Mr. Tufts said \$2,700 more than is at present in sight will be needed by July 1st to continue the project, and expressed the hope that donors may be found for materials which will aid the board in charge of construction in curtailing expenditures, items such as fertilizer and gasoline. He said the Gulf company had already donated 500 gallons of gasoline for the use of tractors, the Standard Oil Company 400 gallons, which had been of tremendous help. Funds must be found for hangar construction—the lighting can be postponed until some later date.

The construction of the field is in charge of a board named by the Board of County Commissioners, D. G. Stutz, Southern Pines, chairman; Richard Tufts, Pinehurst; Quentin Reynolds, High Falls; S. H. Miller, Carthage, and Howard Burns, Southern Pines.

**DISCUSS ORGANIZATION OF LOCAL UNIT OF W. C. T. U.**

In response to a request from the state organization, a group of women met at the residence of Miss Alice May Holmes, Ridge street, on Monday afternoon to discuss the matter of organizing a local unit of the W. C. T. U. The group included a number of women from different states who had been formerly active in the work of this organization, and they decided that the time was ripe for an organization of this kind in the Sandhills, to express the attitude of those who are interested in temperance work, and the other kinds of social welfare carried on by this large national Union of Christian women. Another meeting was appointed to be held at the home of Mrs. C. L. Jackson, Pinebluff on Monday afternoon, May 11, the program to be especially in memory of W. C. T. U. mothers, and to be open to all church women in the Sandhills.
