Theatre

Beginning with the week of June 8th., the Southern Pines Theatre inaugurates its new summer policy with three changes a week and a reduction in admission prices. The changes will take place on Mondays, Thursdays and Saturdays, with Monday programs running three days; Thursday programs two days and Saturday program one day. There will be three matinees a week, on Tuesdays, Thursdays and Saturdays, with admission prices as follows:
 Mondays, Tuesdays, Wednesdays, Thursdays and Fridays; Adults 35c, children 15c; Saturdays, Adults 30c and Children 15c, with all matinee prices 25c for adults and 10c for children.
 Saturdays will be known as "Family Night" with programs selected that will please and be appropriate for the entire family.
 What is being acclaimed the screen's "perfect love-team" comes to Southern Pines Monday, Tuesday and Wednesday, June 8, 9 and 10 with a Tuesday matinee, in "Private Number." Handsome Robert Taylor and lovely Loretta Young are co-starred and the combination is said to be the outstanding film romantic union since Janet Gaynor and Charles Farrell were first cast together. Filled with youthful lovmaking, gay romancing, and vivid drama, highlighted with hilarious comedy by the irrepressible Patsy Kelly, "Private Number" is said to be one of the year's outstanding hits.
 "Palm Springs," the romantic comedy set in the playspot of West Coast millionaires and movie stars, is the attraction for Thursday and Friday, (two days) June 11 and 12 with a Thursday matinee. Set in a glamorous locale where smart society seeks abandon under the sun, and love and romance under the moon, "Palm Springs" is the sprightly story of a young lady blue-blood who starts out to win a millionaire, and falls in love with a guitar punching cowboy with a voice as alluring as Crosby's and a face as inviting as Gary Cooper's, enacted by Smith Ballow, the well-known radio singer who makes his debut in this picture. The story of "Palm Springs" is highly amusing, well acted and the new songs are catchy. Five songs add to the entertainment.
 "Mary Bowland and Charlie Ruggles' latest comedy riot brings forth 75 minutes of laughter in every form possible with most of the time being spent on howls. There is hardly a minute for relaxation with hilarious

Rainless May

Weather Report Shows 3.75 Inches Less Than Normal Expectation for Month

In extreme contrast to the flooded months of winter and early spring rainfall for May registered only thirty-eight one-hundredths of an inch, 3.75 less than the normal expectation, thus reducing the excess of 12.37 inches to 8.58 inches, this long continued arid spell causing a wide spread and disastrous drought.
 Despite the rainless days prevailing breezes gave us an agreeable month, 24 days of which were clear, six part cloudy, and one cloudy. Four days gave us a high of 95, the low of 42 coming on the 15th. Average temperature for the month was one degree above the long time normal, and five degrees above the average for last May.

Fined \$50 For Driving Past School Bus Here

County Takes Steps to Safeguard Lives Following Fatal Carthage Accident

That Moore County is becoming increasingly conscious of her responsibility in the matter of safeguarding the lives of her school children—a condition quickened by the recent deaths of Earl Calloway, 10, and Mabel Beale, 15—is evidenced in a Recorder's Court case tried this week in which W. A. Byerly, white, was given a 30-day sentence to be suspended upon payment of a \$50 fine and the costs. Byerly was found guilty of driving past a school bus while it was unloading. A little colored child at Eagle Springs ran against the oil truck which Byerly was driving and was seriously injured.
 It is strictly against the law to drive a motor vehicle past a school bus as it is unloading and Moore county motorists will do well to store this bit of information away for use next fall when the schools reopen

situations following each other in rapid succession," so says a West Coast critic after seeing a preview of "Early to Bed," the attraction for Saturday, (one day only) June 13th, with a matinee at 3:00. "Early to Bed" is a tonic for every depressive ailment. As an effective laugh-getter it surpasses all the Mary Boland-Charlie Ruggles farce comedies thus far and that is saying considerable.
