WHAT N. C. NEEDS IS TO GET RID OF "RALEIGH RING"

Election of Grissom Would Restore Self Respect and Dignity of the State

HOEY PLUTOCRATS' MAN

The Democratic candidate for governor was nominated by receiving about 100,000 absentee ballots in addition to using the force of forcing all present office holders and agents for the "ring" to vote for him.

One man in Wake County who stuffed the ballot box for him is now serving a jail term in Wake County. How many more ought to be in jail is hard to estimate.

There is nothing that would help this State more than to get rid of the "Raleigh ring."

There is nothing that would help the Democratic party as much as to get rid of Hoey and elect Grissom as Governor of the State. It would be a wholesome change. It would help restore the self respect and dignity of the State as a whole.

Every honest Democrat admits we need a change. We need to destroy plutocratic government in this State and establish again a State Government run by those who support it by taxes. Hoey is the agent of the plutocrats and is himself admitted to be a lobbyist. The majority of the taxpayers in North Carolina don't want Hoey. We hope they will have backbone enough to vote for Gilliam Grissom for Governor.

Grissom for Governor Committee.

COMPLETE NEW LINE OF CHEVROLETS REPORTED

Tom Black of the Pinehurst Garage, Chevrolet dealers, today confirmed reports that Chevrolet would shortly climax its 25 years of manufacture by introducing a complete new line of cars embodying new beauty, style, safety, durability, and above all, performance capabilities.

Mr. Black cited official notice from Chevrolet headquarters in Detroit, confirming the report that the new car would be valve-in-head six, the type on which Chevrolet has concentrated with such conspicuous success.

"More than 12,000,000 Chevrolets have been produced in the company's quarter-century of operation," he pointed out. "Of the number nearly 7,000,000 are still in active service. 1,125,000 of the 1936 Models have been sold this year to date. According to word from Detroit, the forthcoming models, while new from bumper to bumper, will adhere closely to engineering principles which have helped Chevrolet to lead the entire industry in sales seven years out of the last 10.

The "balanced" performance of the power plant in the 1936 models is credited with a large share of the spectacular success which that product has enjoyed, Mr. Black asserted. "Our 1936 owners," he said, "report not only ample power for every possible requirement, but also durability, and oil and gasoline economy even after many thousands of miles. We have it on good authority from Detroit that the 1937 engine will rate still higher in all of these important respects."

Graphic Outlines of History by H. G. MELROY

ST. JOHN'S CHURCH, RICHMOND, VA.

It was in this church that the brilliant lawyer, Patrick Henry, delivered his famous speech, "Give me Liberty, or give me Death." We observe the spirit, as well as the letter, of professional ethics. "The degree of our personal attentiveness is not governed by cost."

Theatre

An entertainment "natural" is "Libeled Lady," the attraction at the Southern Pines Theatre Monday, Tuesday and Wednesday, October 19, 20, 21, with a Tuesday matinee, with a truly all-star combination in Jean Harlow, William Powell, Myrna Loy and Spencer Tracy in the leading roles.

Following the "cheating cheaters" premise, the story is briskly fresh, sparkling with fun in dialogue and situations and elaborately mounted. The story concerns Spencer Tracy, an editor, who gets into hot water when he prints a wild scandal yarn concerning Myrna Loy, a socialite. He engages William Powell, a libel suit quasher, to foil down the legal menace, meanwhile marrying him to Jean Harlow, his girl. The suave Powell, in dealing with Walter Connelly, Miss Loy's father, plays upon that gentleman's fishing phobia, thereby establishing himself in the good graces of the family. Comedy suspense gives the story a unique and punchy climax, the complications of the situation being explained away by a hilarious, action-laden sequence. "Libeled Lady" is a laugh-fest for class-mass audiences.

Men? Never let them know you love them—keep laughing at them and they can't hurt you! While it lasts—swell! But no tears when its ended!

That's what four lonesome, lovely ladies say in "Ladies In Love." But what they do, makes the picture that will be shown Thursday and Friday, October 22, 23, with a Thursday matinee, one of the screen's most fascinating entertainments.

With the most brilliant and exciting combination of feminine personalities ever to appear in one picture—Janet Gaynor, Loretta Young, Constance Bennett and Simone Simon, supported by Don Ameche, Paul Lucas, Tyrone Power, Jr., and Alan Mowbray, "Ladies In Love" tells a brilliantly unusual story, with each of the four feminine players thrilling you in her own way.

Of the four lovely ladies, one gambles for love and loses, one gambles and wins, one asks for love and gets it, love asks for the fourth—too late, and these four famous feminine screen favorites introduce four exciting new techniques for romance which promises to be one of the year's outstanding triumphs.

With a "what-ho" and a "cherio," Jeeves, P. G. Wodehouse's hilarious "Gentlemen's gent" who knows all about women, fiction's funniest character, comes to the screen for the first time in "Thank You Jeeves," on Saturday, October 24th, with a matinee at 3:00. Droll Arthur Treacher plays the poker-faced valet, with Virginia Field, the "lady in distress" and David Niven the blundering, butter-fingered Bertie Wooster. A typical Wodehouse tale, made funnier than ever by its transition to the screen, "Thank You Jeeves" is one of the most riotous of Jeeves' adventures in extricating the inane Bertie from a peck of trouble and helping him win the lady of his heart.

GUARANTEE WITH EVERY FORD "R & G" USED CAR

"Ford 'R & G' used cars and trucks, now being offered to the public through the nation-wide Ford dealers' Used Car Clearance Sale, furnish a definite guide to buying quality," according to Malcolm Pleasants, H. A. Page, Jr. local Ford agency. This merchandising policy means that every used car and truck offered at our clearance sale under the 'R & G' emblem has been renewed and bears our guarantee," said Mr. Pleasants.

"The policy is recognition of the fact that few used car buyers consider themselves sufficiently expert to judge the mechanical condition of a car offered for sale. Our plan provides a reliable guide to quality backed by the integrity of our organization. The emblem is permitted to be affixed only to cars which are guaranteed to meet definite specifications. The emblem means that the car has passed a rigid inspection and measures up to standards set by the Ford Motor Company".
