

Belcano Toiletries

are Supreme on the friendly Road of Youth!

Nature intended you to be beautiful always, so there is no need to dread the years.

There is a definite cause behind every skin blemish! BELCANO'S scientifically prepared cosmetics go beneath the surface, find the hidden cause and then cooperate with Nature by stimulating circulation and setting new forces at work to eradicate it.

The lovely part is that BELCANO is very simple to use. It requires scarcely a moment out of the busy day—and the result?—a skin that is exquisite, smooth and youthful—a face that radiates and interprets your real charm.
