**J. A. Britt Affidavit Proves Vital Need of Election of Grissom for Governor**

**EMPLOYED FOR 12 YEARS**

The following affidavit is one of the reasons why Gilliam Grissom should be elected Governor of North Carolina, to stop such machine manipulation:

**NORTH CAROLINA, MONTGOMERY COUNTY.**

J. A. Britt, being first duly sworn, deposes and says, that he is a resident of Candor, North Carolina, and is 61 years of age; that he has been employed by the North Carolina State Highway Commission continuously for the past 12 years, and for the past 4 years has been Assistant Section Foreman or Section Foreman.

That on the 29th day of September, 1936, one Mr. Brown, Assistant District Engineer, came to see me where I was working on my regular duties and said: "Your politics and Johnie's Simpson's politics are not satisfactory and we will have to do something about it (meaning the Highway Commission), and we want you and Mr. Simpson to resign on October 15, 1936; that there is not a thing against your record, except your politics; your work has always been entirely satisfactory, except your politics." I did not resign on October 15th, but was discharged. Johnie Simpson did not resign on October 15th, but was discharged.

That Mr. Brown further said: "That the crowd in Troy were responsible for requesting your resignation because of your politics."

This the 19th day of October, 1936.  
J. A. BRITT,  
Affiant.

A Life-long Republican.  
Sworn and subscribed to before me, this the 19th day of October, 1936.

JAS. LARRIE, JR.,

My commission expires March 21, 1936.

Announcement was made this week that Mayor D. G. Stutz has consented to act as chairman of the Board of Elections for the Elec Thrift Election Campaign. Acting on this board with Mr. Stutz will be L. V. O'Callaghan, C. J. Simons and Ralph Chandler.

Elec Thrift's campaign for the office of Commissioner of Happiness has attracted state-wide attention. It is a unique sales plan which is being staged by the electrical dealers of Southern Pines. During the past five weeks much local interest has been evidenced and many local people have registered their intentions to vote for Elec Thrift on November 6, the day which has been designated as his own personal election day.

The Board of Elections through its chairman, Mr. Stutz, announced that registration books would remain open through the closing of business on Thursday evening, November 5. Persons who have not already done so are urged to register before that time at each of the cooperating electrical dealers. A cash prize contest is being staged in connection with the campaign. Details regarding this contest may be secured from any of the electrical dealers mentioned above as members of the Board of Elections. "Arrangements for the awarding of the prizes," says Chairman Stutz, "are being completed and will be announced at an early date."

On Friday afternoon, November 6 at 4:00 o'clock, the Civic Club will inaugurate its open house and regular Friday afternoon teas. The house may vary according to program, but the day will be kept, Friday of each week, and the second Friday of each month will include a brief business meeting beside the regular program.

Friday the 6th will be an informal tea in honor of Anne Bridgers, who wrote "Coquette," the successful play used by Helen Hayes and also by Mary Pickford in the movies and in the radio. Miss Bridgers will speak informally, and read bits from "Coquette." She is the cousin and guest of Mrs. James S. Milliken and because of her presence here, Southern Pines also has another visitor, Miss Margaret Cobb, who has come to join her. The two were class mates at Smith College. Last night's reception to the teachers and Board of Education was a most successful occasion. Miss Jenks, Mrs. Hayes and Miss Deucher's schools were included. The educators stood in a long line before a veritable bank of fall flowers, and all Southern Pines attended to do them honor. The refreshment table was centered with yellow chrysanthemums.
