4 Cars Pile Up

Everybody Runs Into Everybody Else But All Escape Serious Injury

Three automobiles and a motor truck were involved in a double or triple wreck which occurred in the upper part of the county around 6:00 o'clock Monday morning, but no one was seriously injured.

Two cars occupied by workers in the silk mill and talc mine at Hemp had a head-on collision, and about that time a truck of the Howard and Bobbitt Company, wholesale grocers of Sanford, struck one of the wrecked cars. The force of the impact threw the truck against a passing automobile, thus bringing the fourth vehicle into the pile-up.

It was one of the above-named grocery concern's trucks that was in an accident with a school bus in the St. Paul section recently, in which three or four children lost their lives. Suit has been started against the company as a result.

At Pinehurst

Only out of the colorful life and loves of the world's greatest lover and painter of beauty could Alexander Korda have drawn the extraordinary canvas of motion picture beauty and entertainment that is "Rembrandt," his new film which brings Charles Laughton to the Pinehurst Theatre Monday, Jan. 18th, matinee and night, in the greatest of his many great starring roles. "Rembrandt" is the story of a genius, of his struggles, his triumphs in a world that would not fully understand him for a hundred years after his time. "Rembrandt" is the story, too, of the three women whose beauty lighted his way—whose love inspired him to paint as no man before or since. Gertrude Lawrence—disease, comedian and stage star of two continents—makes a triumphant motion picture debut in this screen masterpiece.

For months the people of this country have been enchanted by the golden soprano voice of Deanna Durbin, who has been singing over the National networks on Eddie Cantor's radio program. Now everybody in this section will be able to see the beauty of this 13-year old girl, and hear her sing too, when she makes her screen debut in Universal's comedy drama, "Three Smart Girls," playing a return engagement at Pinehurst Wednesday, January 20th, matinee and night. This motion picture sets forth the hilarious adventures of three young girls who are intent on saving their father from a fortune hunting international beauty, who wants to marry him only for his wealth.

The Pinehurst Theatre announces a pre-release showing of the 20th Century-Fox technicolor production, "Wings of the Morning" as its attraction on Friday, January 22nd, matinee and night. An unusually fine cast has been assembled for this production including Annabella, Henry Fonda, Leslie Banks, John McCormack, Steve Donahue. This production is not released until February 19th and was secured for the above date just about five minutes before this notice went to press.

At Southern Pines

"After the Thin Man," starring William Powell and Myrna Loy is playing a return engagement at the Southern Pines Theatre Monday, Tuesday and Wednesday, Jan. 18, 19, 20 with a Tuesday matinee. "After the Thin Man" is a sensational sequel to "The Thin Man" produced in response to remarkable public demand for another mystery by Dashiell Hammett. Powell and Miss Loy excel their stellar performances in the original and the story is even more intriguing. In the supporting cast are James Stewart, Elissa Landi, Joseph Calleia, Jessie Ralph and As'a, a smart little wire-haired terrier.

"One in a Million" is playing a return engagement at Southern Pines Thursday and Friday, January 21, 22, with a Thursday matinee. "One in a Million" features that remarkable champion ice-skater, Sonja Henie who has personality, looks and acting talent. Lavish and beautiful settings were constructed for Miss Henie's skating exhibitions, both in solo and chorus. Miss Henie is surrounded by an unusual supporting cast including Adolph Menjou, Jean Hersholt, Ned Sparks, Don Ameche, Ritz brothers Arlene Judge, Dixie Dunbar, Leah Ray, and Bora Minnevitich and his Gang of Harmonica Maestros. The story is of light-hearted American Broadway boys and girls having fun in the Alps with the recent Olympic

Games Ice Championships as the principal back-ground.

"Mind Your Own Business," playing a return engagement at Southern Pines Saturday, Jan. 23rd, matinee and night, is exciting comedy. The film presents a new comedy team, Charles Ruggles and Alice Brady, certainly not unknown as individual comics. Around them has been grouped a most capable cast including Lyle Talbot, Paul Harvey, Jack LaRue, Bennie Baker, Gene Lockhart, Frankie Darrow and others.
