**TWO PROMINENT AUTHORS  
GUESTS AT HIGHLAND PINES**

Within the past two weeks the Highland Pines Inn has entertained two prominent writers.

Hervey Allen, author of "Anthony Adverse" which has enjoyed total sales in excess of a million copies, spent a night and day at the inn enroute to his home on the eastern shore of Maryland from Coconut Grove, Florida. His three children accompanied him. Mr. Allen has just completed a new novel.

Mrs. Leslie Ford Brown of Annapolis, Maryland, one of the leading writers of detective stories in the country, published under the names of "David Frome" and "Leslie Ford," spent several days here gathering material for a story located in this section. Mrs. Brown spent some time here several years ago as the guest of Mrs. Maude Parker Pavenstedt.

Watermelon plants, in all stages, are subject to attacks by fusarium niveum, a wilt disease that enters through root tips and ruptures formed by new lateral roots.

Spring lambs marketed before June usually return more profit than those marketed later, says F. W. Bell, animal husbandry specialist at Kansas State College.

Tests at the Oklahoma A. and M. College experiment station in 1936 proved that calcium arsenate is an effective insecticide for controlling the cotton leaf worm.

Cottonseed meal may be fed to cows without injury, says A. H. Kuhlman, Oklahoma A. and M. College dairy specialist, if proper mineral and vitamin supplies are included in the ration.

**AIR-CONDITIONED COACHES**

As an integral part of its vast air-conditioning program, the Seaboard Air Line Railway announced this week the addition of deluxe seat, air-conditioned coaches on trains numbers three and four operating between Richmond, Raleigh, and Hatteras, for the benefit of local travelers. The rate for travel in these coaches is the lowest daily rate in history—only a cent and a half per mile. The coaches are equipped with the latest type mechanical air-conditioning, assuring cool travel at all times, with dirt, dust, cinders and smoke locked out.
