

Sandhills Junior Legion Baseball Team Wins From Asheboro, 8 to 7

(Continued from page one) three men to face him went down in order, two via the strike-out route and the other on an infield fly to short-stop.

Sandhills could do nothing in its half of the first and little Clyde Dunn, Frank Buchan and Junior went down in order.

Asheboro drew first blood in their half of the second when, after Tom Crews grounded out to shortstop, Roy Cross walked, went to second on Harold Ellis' single past third base and scored on McGlohon's infield hit toward second.

Sandhills came right back in its half and went ahead 2 to 1. Ed Newton slammed one on the ground to third base that was hot to handle and that went as a hit. Then Billy White drove another at third base and while Adams kicked it around he was safe at first and Newton reached second standing up. Both Newton and White advanced on Pitcher Barnes balk while pitching to Bob Richardson, and Newton scored a few seconds later after Richardson's long fly to center field. White followed him across the plate shortly after when Neil Melvin singled past first base, but Melvin was out stealing second and Arthur Pate ended the inning with a pop fly to third base.

Asheboro was scoreless in its half of the third and Sandhills added another run. Buss Thomas hit the first ball pitched between second and third for a triple and scored standing up on Frank Buchan's slow roller to third.

Asheboro got four runs in the fourth and shook up Pitcher Thomas, who was tiring badly after the strenuous work outs he had undergone over the week-end. Tom Crews led off with a triple to center field that rolled past Alec Cameron, and scored on Roy Cross' single to center. Cross took second on a wild throw. Howard Adams struck out. Harold Ellis walked. Bolton struck out. Cross scored and Barnes was safe at first on Thomas error on a ball hit right back at the pitcher's box and Adams and Barnes both scored when Everett Cameron's single got away from Alec Cameron in center field. Fred Henley struck out to end the inning. Sandhills got one run and made it 4 to 5 in the fourth on singles by Richardson and Thomas, but Asheboro added two more in the first half of the fifth. Lowdermilk was out, third to first, Crews was hit by a pitched ball and went to second on Crew's out, pitcher to first. Adams singled through second base, scoring Cross and scored himself a moment later on Harold Ellis double. Bolton struck out to end the inning. That also saw the finish of Buss Thomas and Howard Auman went in in the sixth to blank Asheboro and hold the visitors hitless for the remaining three innings.

Sandhills was scoreless in its half of the fifth and sixth but in the seventh got to Barnes again and scored two runs. Arthur Pate led off with a single over third base and Auman followed with a single to left field. Leon Melvin walked, filled the bases. All held their bases on Buchan's short fly to second base. Pate scored from third on Cameron's infield out and Howard came across on Newton's infield hit to shortstop. They tied it up 7 to 7 in the eighth when Richardson was safe on an infield hit and went to second on a wild throw, advanced to third when Pate's hit down the third base line was too hot to handle, and scored on Thomas scratch hit in front of the plate.

Then, in the ninth, with the score tied, Newton was safe on an infield hit to third, stole second beautifully and scored on Richardson's booming single over third.

Pitcher Thomas showed great promise before he left the game. He has a fast ball that is a mystery to the batters and when he is rested he is going to be hard to beat. Auman, who followed Thomas on the mound for Sandhills, didn't give Asheboro a chance at any time and both pitchers showed that they could hit the ball. Each had two hits for two times at bat. Newton and Richardson were the hitting stars of the game with three hits each and Newton, along with Buchan, turned in the outstanding fielding jobs of the afternoon.

The American Legion Baseball committee is still soliciting funds with which to carry on the promotion of the team and it is hoped that those who have not contributed or subscribed to the American Legion Junior Baseball Fund will do so at their earliest opportunity.

The committee and the coaches also want it known that the field is still wide open for any boys who are eligible for the team. No positions are definitely filled and anyone who

"Jim" Simons Gets Fire Alarm Because "You is the Electric Man"

Brrr—brrr — brrr buzzed the telephone in the Electric Shop Monday morning and as "Jim" Simons grasped the receiver, a voice with calm accents said: "We've got a fire." To which announcement, "Jim," all in one breath queried, "Why don't you turn in an alarm? Where is it? And why did you call me? And the voice responded, "It's Tom McDonald's, in West Southern Pines, and this is an electric fire and you is the electric man." So the siren summoned the fire crews, but Jim had the edge and beat them to some smoldering wires in the home of Tom McDonald.

BOARD TO MAKE OFFER FOR SITE FOR CIVIC CENTER

(Continued from page one) to obtain an estimate of the cost of the wiring and the erection of the necessary poles and lights and to report their findings back to the board before any further action is taken.

A petition was presented on behalf of the residents of East Broad street from Connecticut avenue to Vermont avenue requesting that that section of East Broad street be paved in a manner similar to other streets recently surfaced. The board discussed the matter at length and decided that if such a step was taken the proper thing to do would be to widen the street to its full width and grade it properly before the paving was put in. The proposition was passed with the provision that the estimate of the cost of the work be approved by the Finance committee.

The Rev. F. Craighill Brown, Dr. C. Rexford Raymond and Mrs. James Swett, representing the newly organized Committee on Negro Welfare, requested the board's assistance in establishing a clinic in West Southern Pines designed to tie in with and keep alive the recent State legislation requiring the physical examination of domestic servants. The new committee has acquired a building ideal for the purpose which it hopes to be able to establish as a permanent clinic, and asked the board if it would waive sewage connection charges and water rentals and appropriate \$250.00 annually to supplement private subscriptions with which to meet operating expenses. The board agreed to comply with the first two requests and the appropriation request will be turned over to the Appropriations committee to be worked out in the 1937 budget meeting.

Dr. Raymond Elected Life Pastor Emeritus

Church of Wide Fellowship Accepts Resignation, Names V. O. Taylor Ad Interim

At the special meeting of the Church of Wide Fellowship on Wednesday night, called to consider the resignation of the pastor, Dr. C. Rexford Raymond stated that his decision to retire was definite. In view of his refusal to reconsider, the church reluctantly voted to accept his resignation, to take effect September 1 on the completion of his third year here.

The church thereupon at once voted to elect Dr. Raymond to the position of Pastor Emeritus for life. Dr. Raymond explained in accepting this honor that he did so with the understanding that it did not involve the church in any financial obligation nor impose any responsibility upon him, except that he would always be glad to undertake any task which the church or his successors in the pastorate might request him to attempt, his remuneration for such labors being "the joy which every minister of Jesus Christ feels at being permitted to labor for the upbuilding of the Kingdom of God." In accepting Dr. Raymond's resignation the church understood that one leading reason for his withdrawal was that he might feel free to serve as an occasional preacher in the churches of the Southern Convention of Congregational and Christian Churches.

A committee was appointed, consisting of Miss Ruth Burr Sanborn, Dr. E. Levis Prizer and Norris L. Hodgkins, to draw up suitable resolutions to be placed in the records of the church and presented to Dr. Raymond.

The church then proceeded to elect as an interim pastor for the coming year, beginning September 1st, Voight O. Taylor, the present director of Christian Education.
