

Miss Dorothy Pottle Weds in Jefferson, N. H.

Daughter of Mr. and Mrs. Frank B. Pottle Bride of Ralph Lockwood Last Friday

In Jefferson, N. H., at the Highlands Chapel, whose white spire is such a familiar landmark on the Jefferson countryside at the foot of the Presidential Range, a marriage was celebrated last Friday between Miss Dorothy Pottle and Ralph Lockwood. The bride is a member of one of the oldest North Country families and is the daughter of Mr. and Mrs. Frank B. Pottle of Jefferson and Southern Pines. The groom is the son of Mrs. Ethel Lockwood and the late Dr. George Lockwood of Brookline, Mass. The Episcopal wedding service was read by the Rev. Arthur Dunston of Dover, N. H., and the wedding music was played by Fred Hamer of Lawrence, Mass.

The bride, given in marriage by her father, wore a princess gown of white satin, which had been her mother's wedding dress. Her tulle veil was draped from a Marie Antoinette headdress. She carried pink rosebuds and white peas.

Mrs. Robert Pottle was the matron of honor and was attired in aqua chiffon and carried pink roses and sweet peas. Robert Pottle was the best man and the ushers were John and George Pottle, brothers of the bride. A reception was held at the Highland House following the wedding.

The bride studied at Boston University and the University of Vermont. Her father is the proprietor of the Highland House in Jefferson and of the Hollywood in Southern Pines.

The groom is a graduate of the University of Vermont and is engaged in business in South Acton, Mass., where the couple will reside.

Scout Cubs Off For Camp Near Raeford

Nearly 30 Youngsters Enjoying Three-Day Outing With Raeford Pack

On Wednesday morning Cubmaster D. H. Turner left Southern Pines with 26 Cubs and three Den Chiefs; Douglas Bailey, Allison Fields and George McCormack, to join the Raeford pack for three days of camping at Camp Connelly. Alfred Cole, Scoutmaster of Troop No. 1, Raeford, is in charge of the camp. The Rev. E. R. Clegg, pastor of the Methodist church in Raeford, is the Cubmaster of the Cub Pack there, and will be present to assist. Mr. Turner and all the boys appreciated the invitation to join the Raeford pack for it will be a great treat and a good experience.

Scoutmaster Cole of the Raeford troop has also extended an invitation to Southern Pines Troop No. 2 to join his troop for a week at Camp Connelly later in the month and the local boys, recalling the good time they had last summer at this camp, are making preparations to go.

Southern Pines Cub pack No. 2 will not have its regular meeting this week, but will meet on Thursday, August 12, at 7:30.

WORK TO START ON NEW POSTOFFICE ABOUT AUGUST 15

After several delays occasioned by the inability of the contractors to effect the delivery of specified materials, word has been received by Postmaster Frank Buchan that work on the new Southern Pines postoffice will commence about August 15th, at which time the contractors will come to Southern Pines prepared to carry through uninterruptedly with the construction work and to push it through to completion on or about January 18th of next year.

Mr. Buchan has applied for a complete new set of furnishings and equipment throughout the building and states that he has every reason to believe that when the building is completed and ready for use it will be as thoroughly new and modern as any postoffice of its size.

SOUTHERN PINES SCHOOL PAINTING CONTRACT LET

Dr. G. G. Herr, chairman of the Southern Pines School Board, announced this week that the contract for the painting and some of the repairing of the Southern Pines High School buildings has been let to the firm of Lee and Parker of Pinehurst.

The work will consist of painting and redecorating all classrooms, halls, stairways, washrooms and coatrooms and renewing the plaster throughout the building wherever necessary.

One Visible Account Cabinet, regular \$85.00, for \$27.50 at Hayes.

Sandhills Project a Good Start in Needed Conservation Policy

U. S. Should Have Started Re-forestation and Reclamation Years Ago, Says A. M. Snider

By A. M. SNIDER, Hoffman
The Hoffman projects, dedicated last Friday, are fast passing from blueprint to reclaimed forest, to producing fisheries, to yielding nurseries and to used recreation grounds.

Thousands of folks attended the dedication exercises held in the park last Friday. Hundreds visited the park Sunday. While Pinehurst and Southern Pines are winter playgrounds for rich Yankees, there is no reason why the Hoffman park should not be a winter and summer playground for common North Carolinians.

When the 65-acre lake has been added, the golf course completed, and some 10 or 20 additional cabins erected, there will be sufficient recreational facilities for the common folks at a common pocketbook price.

While sixty odd thousand acres have been returned to the forest, there are probably more than that number which should be added. Conservation of our forests should have been a policy of our government 75 years ago, and re-forestation and afforestation should have been a national policy for 30 years.

Conservation of all of our natural resources should become a definite policy of our national government. We cannot re-coal, or re-oil, or re-iron our land; but we can re-soil and re-forest it.

Praise For Governor

These are two policies which Governor Hoey so eloquently defended in his address last Friday. It seems to me most fortunate that we have Mr. Hoey as governor at this time. He is well founded in those good American doctrines of the Constitution, democracy, liberty and independence. He is a Gibraltar of those things which we regard as American. Yet, Governor Hoey is not blind to the fact that we need economic and social adjustments.

Hoffman fisheries are now furnishing small fish for stocking streams and lakes elsewhere. Folks interested in such fish should communicate with the fisheries. And folks who are interested in forest nursery stock will probably be able to procure them here at the nursery. While the nursery is primarily intended for government supply, I understand that private sources may obtain surpluses.

Having been right here all the time where I could and did see what went on. I am often asked the question: "Was there not a lot of public money wasted there?" It should be remembered that the indigent and jobless of five counties were herded up and hauled here and dumped in the woods and swamps. With that kind of labor most of this work has been done. The character of the labor necessarily ran up the cost.

Mr. Eatman through the process of elimination has rid the projects of much of the deadwood. And finally by the aid of his able lieutenants, Cousins, Bowden, Graham and Hutto, is doing a fine piece of work.

DR. RAYMOND HONORED AT FAREWELL RECEPTION

Members and friends of the Church of Wide Fellowship entertained at a farewell party honoring the Rev. and Mrs. C. Rexford Raymond last Monday prior to their departure for Lake Chautauqua, N. Y. A buffet supper was served in the church garden after which Dr. E. L. Prizer presented Dr. and Mrs. Raymond with a gift from the members of the church in appreciation for the work which Dr. Raymond had done during his stay in Southern Pines.

The occasion marked Dr. Raymond's retirement from the active pastorate of the Church of Wide Fellowship, and the Rev. J. Fred Stinson of the First Baptist Church of Southern Pines, and the Rev. E. L. Barber of the Brownson Memorial Presbyterian Church were present to pay tribute to the retiring clergyman. Dr. and Mrs. Raymond will be at home at 40 Rhode Island avenue after September 1st.

MRS. HALL WINS PRIZE IN LUM AND ABNER CONTEST

Mrs. L. M. Hall of Aberdeen was winner of one of the prizes in the recent contest sponsored by Lum and Abner to obtain a name for their dining car lunch room at Pine Ridge. For her clever entry of "The Havas-nack Diner," Mrs. Hall was awarded a fountain pen and pencil set by the two popular old gentlemen.

Cooler in July

Temperature For Month Lower Than Long Time Average; Hottest Day 102

July 15th, St. Swithin's day, was clear, and while millions believe the lack of rain on the Saint's day foretells a dry spell of 40 days, the rainfall for the month actually totaled 8.48 inches. 1.13 inches over the normal precipitation. Of this amount 2.02 inches fell on the 17th, and 2.10 inches on the 31st. While most of the state, including Moore county, suffered under an arid spell, our rainfall of 8.48 inches brought the total for the seven months of the year to a surplus over the normal expectation of 4.07 inches.

The early part of the month was hot, the 9th registering 101 and the 10th 102 degrees, but 18 partly cloudy days with accompanying cooling breezes during the latter part reduced the monthly temperatures not only under those of last July but also those of the long time averages. The low temperature of the month, 57, was recorded on the 1st.

Long time aver.	Max.	Min.	Aver.
90	67.8	78.9	
1936	96.12	67.23	81.67
1937	87.14	66	76.57

RESIDENCE AND STORE IN CAMERON BURGLARIZED

Cameron has been the scene of a number of petty robberies within the past month. Someone entered the home of L. B. McKeithen last week while the family was away and took two guns. Last Sunday night the store of Roy Hendricks was entered and from it were removed a double-barrel shot gun and cigarettes, smoking tobacco, snuff and chewing gum. The gun was located Monday in the woods near the old hosiery mill, but the identity of the thief or thieves is unknown.

SILK MILLS EMPLOYEES GET WEEK'S VACATION WITH PAY

Employees of the Pinehurst Silk Mills at Hemp are enjoying a week's vacation with pay this week. This is the first time such action has been taken by the management of the Hemp mill which employs close to 1,000 persons the year 'round. The mill will be closed the entire week, according to W. P. Saunders, general manager.

Dates Set For Opening of Schools in County

Carthage, Vass, West End on September 2; Aberdeen, Cameron, Others on September 13

Opening dates for the Moore county schools were announced on Tuesday by County Superintendent H. Lee Thomas.

The High Falls school will open Monday, August 30, and the Carthage, Vass-Lakeview and West End school districts will begin their fall terms on Thursday, Sept. 2. Aberdeen, Cameron, Farm Life and Hemp districts will open on Monday, Sept. 13. Nine o'clock is the hour when the opening bell will ring in each of these schools.

The colored schools of all the districts in the county will open Monday, September 13.

Section 22 1-2 of the 1937 school law says, "Children to be entitled to enroll in the public schools for the school year 1937-38 and each year thereafter, must be six years of age on or before October 1st of the year in which they enroll and must enroll during the first month of the school year."

Basal textbooks for elementary school children will be furnished free, while rental fees will be charged for supplementary books in the elementary grades and for all high school books, Mr. Thomas stated.

LOCAL FIREMEN TO COMPETE AT GREENSBORO CONVENTION

A number of members of the Southern Pines Volunteer Fire Company, including Chief L. V. O'Callaghan, are planning to attend the 50th annual convention of the North Carolina State Firemen's Association to be held in Greensboro on the 9th, 10th, 11th and 12th of August.

Teams for the water and chemical contests have been drilling for the past few weeks and are expected to make a showing comparable with their victories in the meet of the Sandhill Firemen's Association.

Captained by Tom Vann the men selected for the contests are E. J. Davis, O. D. Michael, J. H. Cashion, John Cameron, J. D. Gregory, Harold Fowler and Harold Maples.

MCCOY FEED COMPANY, FAYETTEVILLE, INCORPORATES

Among new incorporations of the week, filed at Raleigh, is the McCoy Feed Company of Fayetteville, with an authorized capital of \$50,000, subscribed \$300. The incorporators are W. H. McNeill of Southern Pines, C. O. Bell and Alex Stewart of Fayetteville, Mr. McNeill also operates the McNeill Feed Store here.
