

Durham Host to Garden Clubs on November 17

"Finding Health in the Garden Clinic" To Be Subject for Gathering

November will find gardeners throughout the state Durham-bound for the "Finding Health in the Garden Clinic" to be held at Duke University. The clinic is an innovation on the club's program for this year and is expected to draw a vast number of women to hear several of the finest psychiatrists in the South discuss the effects of fear and worry on health and well-being and point out the practical way to rest and recreation. A distinguished theologian will present "Faith" as an important element in physical and spiritual healing.

The date for the clinic is November 17 and the Durham Garden Club and Duke University are co-operating with the North Carolina Garden Club as sponsors and hosts. The chairman of the clinic program are Mrs. F. H. Sweet, president of the Durham Garden Club, and Mrs. R. S. Crispell of Duke. Gardeners in the state who have not made reservations for attending the clinic should notify Mrs. Sweet or Mrs. Crispell immediately.

Of the clinic, Mrs. McMillan, the State president, has this to say: "A well balanced, purposeful life is the objective of every member of the Garden Club of North Carolina. Believing in Emerson's statement that 'there is no worry a hoe cannot cure,' we are inaugurating what we shall call 'A Finding Health in the Garden Clinic.' A healthy life, a happy life, and, all things being equal, a long life is the purpose of all life and we believe that attendance upon this clinic will assist our women in charting for themselves such a purposeful existence."

The clinic will open on the morning of November 17th at 9:30 o'clock when registration will be held and at 10 o'clock greetings will be brought from State officials.

Dr. R. S. Crispell of Duke University will be the first speaker of the program and his subject will be "Rest and Recreation." Dr. Wesley Taylor of Greensboro will speak on "The Bugaboo of Fear" and Dr. E. A. McMillan of Winston-Salem will discuss "Garden Hobbies."

Following luncheon at 1:00 o'clock Dr. Finley Gayle of Richmond, Va., will speak, his subject being "Why Worry." Dr. E. M. Potat, Jr., of Raleigh will speak on "Faith as a Factor in Healing" and Dr. Crispell will close the clinic with a discussion on "Overcoming Nervousness." A social hour will follow at 4:15 o'clock.

W. H. Evans Has 425 of 500-Goal Enrolled for Moore County Membership

Under the direction of district manager William H. Evans of the North Carolina State Automobile Association, membership recruiting is now in progress for separate county automobile clubs in Moore county and surrounding counties with Mr. Evans, himself, handling the work in Moore county. These separate county clubs are affiliated with the North Carolina State Automobile Association and will enjoy all of the benefits accruing to the parent organization.

Mr. Evans, who has been with the N. C. State Automobile Association for several years, came to Southern Pines about six weeks ago and established district and county headquarters for the new project here, where he is making his permanent home. At the time he came here there were 113 direct N. C. State Automobile Association members from Moore county and with those as a nucleus he has been working toward the end of organizing the separate Moore county club with a charter membership of 500. At the present time the roll numbers approximately 425 and Mr. Evans expects that the organization will be complete and operative with its permanent office in Southern Pines within the next two weeks.

State-Wide in Scope

Mr. Evans explains that the N. C. State Automobile Association is going over to the county club type or organization as a result of a trend that established itself in the parent organization several years ago when it was known as the Charlotte Automobile Club. At that time, he said, large groups of members in surrounding counties petitioned the club for separate county charters and headquarters as an aid to simplifying the work of the club. After several of these separate clubs had been established and found to be highly practical, other counties came forward with the same request and finally the Charlotte Automobile Club found itself expanding to such an extent that it was forced to become state-wide in its operations. Consequently it became the N. C. State Automobile Association and adopted the individual county club plan of organization completely.

Membership in the Moore County Automobile Club is \$12.00 per year with an additional \$3.00 entrance fee for the first year only. Additional memberships in the same family are \$4.00 each and membership in the club includes the following benefits:

- Nation-wide emergency road service.
- A reward of \$50.00 for the recovery of your stolen car and the capture and conviction of the thief.
- A \$100.00 Police Bond Card and a Western Union collect message and identification card.
- Legal advice, counsel and aid through your attorney.
- Insurance of \$1,000 for loss of life in an automobile accident.
- Insurance of \$500 for loss of life as a pedestrian by being killed by any moving vehicle.
- A \$100 certificate of identification.
- Payment to you of \$10.00 per week for 13 weeks for disability in case of injury.

The garages in Moore county that are already affiliated with the new organization are the Page Motor Company in Southern Pines, the Pinehurst Garage in Pinehurst, the Martin Motor Company in Aberdeen, the Pinebluff Service Station, the Hemp Garage and Motor Company, Tucker's Garage in West End and Cadell's Garage and Stewart's Service Station in Carthage.

WILLING WORKERS MEET AT HIGHLAND LODGE

The Willing Workers of the Baptist Church held their regular weekly meeting on Tuesday, November 9, in the pleasant lounge of the Highland Lodge with Mrs. Grierson as hostess. Mrs. Louis Scheipers, the president presided at the business meeting and announced plans for the fair to be held at the Baptist Church on Tuesday, November 30, and appointed committees for the tables, the supper and the entertainment which will follow the supper. The fair will begin at 10:00 a. m. and continue through the afternoon and evening. The program for the afternoon was in the charge
