**HELP KIDNEYS**  
 To Get Rid of Acid and Poisonous Waste  
 Your kidneys help to keep you well by constantly filtering waste matter from the blood. If your kidneys get functionally disordered and fail to remove excess impurities, there may be poisoning of the whole system and body-wide distress.  
 Burning, scanty or too frequent urination may be a warning of some kidney or bladder disturbance.  
 You may suffer nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—feet weak, nervous, all played out.  
 In such cases it is better to rely on a medicine that has won country-wide acclaim than on something less favorably known. Use Doan's Pills. A multitude of grateful people recommend Doan's. Ask your neighbor!

**Don't Neglect Your Child's Cold**  
 Common colds often settle in throat and chest; at the first sniffle rub on Children's Musterole.  
 Children's Musterole is just good old Musterole, only in milder form. It penetrates with a warming tingle and gets such marvelous results because it's NOT just a salve, but a "counter-irritant"—helpful in drawing out local congestion. Musterole has been used for 30 years. Recommended by many doctors and nurses. All druggists. In three strengths: Regular Strength, Children's (mild), and Extra Strong.

**NIAGARA**  
 Miss Nell Simons filled the pulpit at the Village church again Sunday night and held the audience spell-bound throughout the service.  
 On last Friday a number of the friends of J. W. Frank came with all kind of presents—and those unable to come sent in presents on the occasion of his 74th birthday. It showed the high esteem in which this upright man stands in the minds of the people. Mr. Frank has been indisposed and kept indoors for the past year or two but is now apparently improving.
