**April 2 Closing Date For Crop Applications**

**New Cotton and Tobacco Farmers Must Apply at Once to County Agent**

County Agent E. H. Garrison, Jr., has been notified by the State Office to set a closing date right away for taking new applications for cotton and tobacco for 1938. This date will be Saturday, April 2nd. This applies only to those who have not had a work sheet during 1936 and 1937 or anyone who at the present time has not made application or filled out a work sheet. This applies only to those who intend to plant cotton or tobacco this year and have not turned in a report of some kind to this office. I hope that every one will keep this in mind and not come in after Saturday to make application for any of these crops," said Mr. Garrison. "We have done the best we could to get in touch with everyone in the county through the series of meetings we had and through the county papers.

"So far we do not know and will not know much about what the allotments for the county

"So far we do not know much about what the allotments for the county will be. The committee has been working on all this as fast as it could. Just as soon as we get this in the county office it will be announced. We are just as anxious as anyone else for this information. We realize that everyone is anxious to know and that you should know by this time.

"Please keep in mind the closing date and the fact that we are going to give you all the information we can, just as fast as we can get it."
