Don't Neglect Your Child's Cold

Common colds often settle in throat and chest; at the first sniffle rub on Children's Musterole.
Children's Musterole is just good old Musterole, only in milder form. It penetrates with a warming tingle and gets such marvelous results because it's NOT just a salve, but a "counter-irritant"—helpful in drawing out local congestion.
Musterole has been used for 30 years. Recommended by many doctors and nurses. All druggists. In three strengths: Regular Strength, Children's (mild), and Extra Strong.

Revised Opening Dates For Hunting in State

Quail and Turkey Advanced to Dec. 11. Raccoon and Possum Open to February 15

Changes in the opening dates for hunting in North Carolina were approved this week at a meeting of the State Board of Conservation and Development.

Under the revised schedule, the opening dates will be as follows: Quail and turkey, advanced from December 15 to December 11; closes February 15.

Rabbit, moved from November 30 to November 24; closes February 15. Grouse, changed from November 20 to January 1 to from December 1 to January 15.

Opposum and raccoon hunting with dogs, October 1; closes February 15.

The turkey season set from November 20 to February 15 in Halifax, Northampton, Bertie, Washington and Martin counties. The deer season was fixed from November 15 to December 5 in Yancey county.

NO SUCH THING AS OLD AGE PENSIONS IN COUNTY

(Continued from page one)
July, the number was 200.

More than 1,000 persons in the county 65 years of age or over have signed up for assistance, but only 290 of these can be aided and these are chosen on a basis of need, regardless of race or politics, Mrs. Brown stated. As rapidly as names are removed from this list by death or otherwise, others are added from the waiting list. No one in the county is receiving over \$8 per month as old age assistance.

Earlier in the set-up, there were in a few instances two in a family, the husband and the wife, receiving checks for around \$5.00 each, but in order to bring the number down to State requirements, one of the two has been cut off and the check made for \$8.00, the maximum amount. This is another thing that cannot be understood.

Those who read this are asked to kindly pass the word along that there is not a pension in the welfare office awaiting Moore county citizens as they arrive at their 65th milestone, but that there is assistance only for those who rank among the 290 most needy of the 65-year-olds or older.

At the Brownson Memorial Church meeting in the Civic Club Sunday morning at 9:45 Dr. Brownson will address the Adult Bible class. "Why Are We Left in this World?" will be the theme of the Rev. E. L. Barber's evening sermon at 7:30 o'clock.

"Doctrine of Atonement" is the subject of the lesson-sermon, at the Christian Science Church, East New Hampshire Ave., Sunday morning, October 16th, at 11:00 o'clock. Sunday School meets at 11:00 o'clock, at the church.

The Church of Wide Fellowship services this Sunday will be as follows: 9:45 a. m., Church School for all ages; 11:00 a. m., Morning Worship, sermon theme, "Worship"; 7:00 p. m., Youth Fellowship League, for High School Young People; 7:00, The Fellowship Forum.

Dr. Francis Osborne, leader in the movement to found a boys' preparatory school in the Sandhills, will preach at the 11:00 o'clock service Sunday morning at the Southern Pines Baptist Church. Dr. Osborne was the first rector of St. Martin's Episcopal Church in Charlotte.

Theatre

To print all the encomiums that have been lavished on "Boys Town," the attraction at Pinehurst on Sunday night, October 16th at 8:30 and at Southern Pines Monday and Tuesday, October 17, 18, at 8:20 with a Tuesday matinee, would just about take up this page of The Pilot. Based on a true situation, the Boys Town which Father Flannagan founded and has developed in Nebraska, M-G-M has brought a powerful piece of screen entertainment and at the same time has made a great human screen document. Spencer Tracy carves another memorable performance into the list he has built, as Father Flannagan. Mickey Rooney, given a test of artistry as a gangster's young, tough brother, forced into Boys Town, who sneers and is obnoxious,

but learns better, gives a brilliant performance. Cold black type cannot begin to describe the dramatic power of "Boys Town."

Absent from the screen for more than a year, the Marx Brothers make an auspicious return in what has been described their funniest vehicle to date, "Room Service," the attraction at Southern Pines for Wednesday and Thursday, October 19, 20, with a Thursday matinee. Adapted from the smash stage comedy which had New York audiences in an uproar for more than 61 weeks, "Room Service" provides the three zanies with a ready-made story embodying the daffy situations and rollicking complications which always fit their peculiar comedy style.

A faithful transmutation of the play to the screen, "Room Service" features Lucille Ball and Ann Miller, tow of Hollywood's more promising starlets; and Fran Albertson.

It has always seemed that the Ritz Brothers could, if need be, turn out just as funny a picture without a script as with one, and if they can be funny without one, just imagine what they can do with the funniest story ever turned out by one of the great comic writers of our time! We refer, of course, to Damon Runyan's "Straight, Place and Show," the Ritz Brothers' new starring picture which is the attraction at Southern Pines on Friday and Saturday, October 20, 21, with a Saturday matinee. Herewith is a quotation from a letter just received from the coast, which is more expressive than elegant, but very expressive; "In the parlance of the title, here is a three-way entry to win, so play it right on the nose to cop the laughs handicap in the money stake Motion Pictures Are Your Best Entertainment."
