Vass Girl May Queen at Pfeiffer College

Miss Jessie Thomas Honored.—Preston Matthews Editor of College Annual

Miss Jessie Thomas, daughter of Mrs. Danie Thomas of the Vass-Cameron community, was recently chosen May queen at Pfeiffer Junior College at Misenheimer. The entire student body voted in the election and in the voting stateliness and poise were given especial consideration.

Vass-Lakeview students at Pfeiffer have made an unusually good record, of which they friends at home are justly proud. Jessie Thomas, who graduated from Vass-Lakeview, in addition to being May queen, is president of the Y. W. C. A., a member of the exclusive Order of the Sundial, which is limited to students who show exceptional leadership ability and who are outstanding in all the fields of college activities, is secretary of the class of '39, a member of the glee club, a member of the student-faculty council, and captain of intramural basketball. In the senior superlatives she was voted the most courteous girl and the most dignified.

Preston Matthews, another Vass-Lakeview graduate, was editor of the college annual. The Pajaca, vice-president of the class of '39, and although an amateur photographer, made many of the pictures used in the annual. He was voted the big tease among the boys and the most dependable. The annual is a distinct credit to Preston and his staff.

Sarah Edith Matthews, who finished the junior class in Vass and did her senior work after moving to Southern Pines, is secretary of the Y. W. C. A., a member of the order of Sundial, Opal Cross and French Club. She was voted the cutest girl also the most popular girl in the class of '39.

Gladys Causey was a member of the PaJaCa staff and of the Y. W. C. A., and was voted the most businesslike girl in her class.

Rosalind Baker, another Moore county girl who is a graduate of the Southern Pines school is making a good record at Pfeiffer, also.

R. E. Gouger, Pinehurst, Wins Trip To Cuba

Prize Awarded in National Sales Contest of Bendix Home Appliances, Inc.

Announcement of R. E. Gouger of Gouger & Veno, Pinehurst, representative for the Bendix Home Laundry as a winner in a national sales contest conducted by Bendix Home Appliances, Inc., was received this week from Judson S. Sayre, vice president in charge of sales at the corporation's office in South Bend, Ind. Working according to territorial quota rules, Bendix dealers were engaged in the contest from January 15th to May 6th, the prize for the winning dealers being an all-expenses paid trip from Charlotte to Havana, Cuba and return.

Mr. Gouger will sail from New York on May 18th aboard the liner Veendam which has been chartered by Bendix Home Appliances for approximately 700 contest winners throughout the nation. The ship will return from Havana on May 27th.

Customer results obtained by Mr. Gouger was typical of dealer accomplishment throughout the country, Mr. Sayre said, although the close margin between the runners-up and the cruise winners required exacting statistical checks on all sales quota figures.

The success of the contest, Mr. Sayre declared, was assured several weeks ago in the public buying reaction to the "absentee laundress" theme upon which demonstration of the home laundry was based. "Absentee laundress," in the case of the Bendix, means that the machine does not have to be "tended." Entirely automatic in all its cycles, it takes soiled clothes and washes, rinses and

damp-dries them ready for the line with the mere adjustment of two simple dials, and then shuts itself off when the job has been done.
