

"Home Ec" Pupils, Band Entertain Pinehurst PT

School's Commencement Exercises To Open With Baccalaureate on May 28th

The final meeting of the Pinehurst Parent-Teacher Association was held in the School auditorium Tuesday evening with the fourth and eighth grades having the largest number of parents present.

Patrick J. Leonard presented his band, made up of Southern Pines and Pinehurst pupils in a short concert which showed marked progress and was greatly enjoyed.

The Home Economic classes gave a short Mother Goose skit, the characters being the old woman who lived in a shoe with all her children. These children after taking "Home Ec," reappeared wearing the clothes they had made. Evening dresses, street and school dresses and pajamas were modeled. Mrs. Robert Shaw, Jr., is the teacher.

Mrs. Shaw also reported a very successful year for the school cafeteria, stating that \$50.00 would be left in the expense fund to start the cafeteria next fall and more than \$100.00 would be available for new equipment.

Mrs. W. L. Cunningham reported 22 pre-school children attending the clinic with no major defects being found.

Superintendent J. W. Harbison invited all the friends of the school to attend the Community exercises which will begin with the baccalaureate sermon Sunday morning, May 28th at 11:00 o'clock in the Community Church, by the Rev. A. P. Brandt, Methodist minister of Sanford. The Class Day exercises will be held in the school auditorium Monday evening May 29th with the graduating exercises Tuesday evening, Guy B. Phillips, of the Education Department of the University delivering the principal address.

ed to agree to be taxed one per cent per crate of berries shipped for defraying of expenses of the association.

Headquarters at Hamlet

Chairman Teague is to set up an office for the group in Hamlet and secure a secretary who is to make contacts with individual growers and with market outlets. It is hoped to get the great majority of berry farmers in this section to join the group.

The long-run purpose of the organization is to expand markets for dewberries, threatened by strawberry and huckleberry competition, and provide a central body to handle problems of the growers.

PILOT ADVERTISING PAYS

Don't say we didn't TELL you!

A LOT OF PEOPLE have been disappointed because they bought a car without first driving LaSalle. LaSalle, with its great Cadillac engine, is the finest-performing car ever offered at its price. It does everything better. You owe it to yourself to get the facts before you act. A half hour at the wheel is all it takes. Remember—almost half the people who try a LaSalle buy a LaSalle.

Wrong Telephone Number in Pilot Proves the Folks Read the Advertising

Do people read Pilot advertising?

The telephone company is convinced they do.

Last week someone advertised an eight-acre farm with fourroom bungalow near Southern Pines for sale for \$400, and the ad told the folks to call 5375. Well, it seems there's no such number, and the telephone company was kept pretty busy for days telling people so. Many called The Pilot about it, too, but the copy turned in to us read 5375, and we couldn't do anything about it.

Mebbe the man who put the ad in the paper would like to correct it. He has a lot of prospects waiting for him.
