**Ass't. State Revenue Commissioner Tells Kiwanis of Workings of His Department**

For every dollar of revenue taken in into the General Fund of the State of North Carolina, the cost of collection and overhead is 1.66 cents, approximately half the cost in most states, Assistant State Revenue Commissioner William J. Spain told members of the Sandhills Kiwanis Club at their weekly luncheon held Wednesday at the Southern Pines Country Club.

Mr. Spain gave some interesting figures: that the General Fund of the State collects, in round numbers, \$35,000,000 annually; the Highway fund \$32,000,000. He outlined how the funds were handled by the 289 women and 437 employed in the Revenue department, how on a peak day as many as 19,746 pieces of mail had been handled, with all receipts recorded and balanced that day; that as much as \$7,000,000 had been received and balanced in one day; that the average day's mail brought 3,200 pieces of mail, \$1,000,000 of revenue. He described the workings of the Motor Vehicle License Bureau and other divisions of his department.

Mr. Horton, of the Revenue department, accompanied Mr. Spain here and entertained the club with amusing stories and songs.

**WIDOW WITH FAMILY OF NINE LOSES HOME BY FIRE**

Vesteria Williams, a widow with a family of nine children, suffered the loss of her home, located on Wisconsin avenue in West Southern Pines on Monday afternoon. The house a frame building, was entirely in flames before the alarm was sent in, and the Southern Pines firemen who responded promptly found the building beyond saving.

The firemen were again called out at 7:00 o'clock Tuesday night, an exploding oil stove in an apartment in the S. J. Ferguson house on South Bennett street, Southern Pines starting a fire which was extinguished without difficulty.

**YOU CAN PAY MORE -but why?**

You can pay a lot more than the modest Chevrolet price for a motor car. But you'll find yourself asking, "Where can I get any more beauty, driving and riding ease, road action, safety and all-round value than I get in Chevrolet for '40?" . . . Particularly when you consider Chevrolet's extremely low prices and Chevrolet's exceptionally low cost of operation and upkeep!
