New Election Laws Require Revision of Registration Books

Compete Relisting of Voters or New Registration Will Precede Fall Election

One of the far reaching changes in the election laws made by the 1939 General Assembly has to do with setting up a new system of registration in primary elections.

Heretofore, only the general election registration book has been used for both primaries and elections. Under the new law there will be separate registration books for primaries and elections.

The voter will be entered on the primary registration book of the party of which he is a member and hereafter only the primary registration books will be furnished the registrars for the primaries.

There will be either a complete relisting of voters or a new registration in each county in the state, as may be determined by the County Board of Elections of each county, at the meeting of such on Saturday, March 23rd.

In those counties in which a new registration is ordered the books will be open during the usual registration period before the May primary.

In the new registration the voter will be registered on the general registration book and also on the appropriate primary registration book in accordance with his party affiliation.

Independents will not be registered on any primary book.

In those counties in which a relisting of voters instead of a new registration shall be ordered, the chairman of the County Board of Elections, with such assistance as may be necessary, will begin on April 2nd to transcribe to new general registration books the names of all persons shown by poll books to have

Flying Fisherman

Julian T Bishop's Sailfish Wins Him Award by Eddie Rickenbacker

Julian T. Bishop of Knollwood, Southern Pines, has qualified for membership in the Flying Fisherman Club, according to an announcement made by Capt. E. V. Rickenbacker, president and general manager of Eastern Air Lines, the sponsoring organization.

While trolling in waters off Palm Beach, Fla., Bishop caught a 51-pound Sailfish, measuring seven feet, one inch in length. Capt. Victor P. Lance of West Palm Beach, skipper of the boat "Torobill" served as cruise guide.

Bishop flew to the Florida fishing grounds via the Great Silver Fleet of Eastern Air Lines. He has been awarded a framed, engraved membership certificate, signed by Capt. Rickenbacker in token of his catch.

voted in the elections or primaries of 1936 and 1938.

A list of all names on the old registration books, not shown by the poll books to have voted, will be published or advertised and such as are thus published or advertised will have to appear during the regular registration period and show their right to remain registered. After the names have been relisted on new registration books, separate primary registration books will be made by the County Election Board chairman.

A new registration must be held in all precincts where the poll books of 1936 and 1938 cannot be found.

Boy 16 Helps Self To Old Age Assistance

Gets Grandma's Check Cashed and Lands in Toils.—Other Court News

Although Jesse Chisholm, a West End colored boy, is only 16, he felt that a little old age assistance would come in handy, so, according to evidence revealed in Recorder's Court Monday, he went to the postoffice, told the postmaster that his grandmother sent him after her check, procured said check and had it cashed.

In court he pleaded guilty to obtaining money under false pretense. His six months sentence was suspended upon payment of the costs and upon condition that he be of good behavior for two years, the court taking into consideration the fact that he was only 16 and that \$8 of the \$10 had been returned to the grandmother.

An argument over pay for cutting some wood landed James Clinton, colored, of Putnam, in court when Susan Couser charged that he assaulted her by choking her and drawing a shovel on her. Clinton was found guilty of simple assault and his 30-day road sentence was to be suspended upon payment of the costs.

L. D. Richardson, white, of Carthage Route 2, was found guilty of drunken driving when tried by a jury. He was given 30 days, to be suspended upon payment of a fine of \$50 and the costs and his license to drive was revoked for 12 months. Richardson admitted that he had drunk two bottles of beer on the morning of the day that the accident occurred in the evening. There was evidence to the effect that a defective brake was partly responsible for his colliding with a highway truck.

WAREHOUSES THREATENED BY FIRE; DAMAGE SLIGHT

Fanned by the brisk March wind, sparks from a grass fire ignited the shaving shed of the Southern Pines Warehouses at 4:15 o'clock Monday afternoon, threatening destruction to the lumber stacks. Prompt arrival of the Southern Pines fire apparatus plus the bucket brigade of the warehouse employees kept the fire from spreading, though sparks falling on the roof of a building in the rear of the Chandler ice plant, several hundred feet from the embers of the shed, sent the crew of the light truck to that spot in time to avert further trouble. The damage was nominal.

Sunday morning the department answered a call from West Southern Pines where a small barn burned to the ground.

County Schools To Hold Music, Drama Festival

Each School To Act as Host To Students From Another March 29 to April 10

The second Music and Dramatics Festival of the Moore county schools will be held from March 29 through April 10, and the committee in charge has requested that the programs be given in the afternoon at an hour convenient for the schools.

The festival has as one of its main purposes the fostering of a spirit of friendliness among the pupils of the various schools and communities, and these non-competitive meetings with each school acting as host to students from another school have been found to be most enjoyable and worth-while. In each case the visiting students give the program.

The first meeting will be on March 29 at Pinehurst when West End students will present a play and music by the glee club; April 1, at Cameron, Vass-Lakeview students will present a play and music by the glee club; April 2 at West End, Cameron will present a play and music by the glee club; April 3 at High Falls, the Elise glee club will sing; April 4 at Elise, Carthage will give a play and music by the glee club; April 5 at Carthage, Pinehurst will present a play and music by the glee club; April 8 at Farm Life, High Falls will present a play and the glee club will sing; April 9 at Vass, Aberdeen will give a play; April 10 at Aberdeen, the Farm Life glee club will sing.

The music and dramatics committee is composed of B. E. Beasley, chairman; E. A. West, L. J. Dawkins, W. L. Kiser, Phillip Weaver, J. F. Sinclair, W. G. Coltrane and M. D. Wall.
