State Auditor Explains Features of Fund Open to Law Enforcement Men

State Auditor George Ross Pou announces that approximately 600 law enforcement officers in all parts of the state have made applications to participate in the retirement benefits of the Law Enforcement Officers Benefit and Retirement Fund.

Each officer who participates in the retirement features of the fund is required to contribute three per cent of his monthly salary of \$200.00 or less beginning with salaries earned after July 1. Officers on a fee basis contribute \$3.00 per month, the equivalent of a \$100.00 monthly salary. Contributions are payable by the tenth of the month following the month in which salary is earned. The first contributions are due on or before August 10. The Board of Commissioners of the Fund have adopted regulations providing for retirement benefits payments to begin July 1, 1945, to all officers who have served 20 years. In order to receive credit for service prior to July 1, 1940, officers must make applications before January 1, 1941, and must make contributions equal to three per cent of salaries earned beginning July 1, 1940. Applications may be had from State Auditor Pou, Chairman of the Fund, in Raleigh.

The Retirement Fund is open to Sheriffs, Deputy Sheriffs, Constables, Police Officers, Prison Wardens and Deputy Wardens, Prison Camp Superintendents, Prison Stewards, Prison Foremen and Guards, Highway Patrolmen and all other officers of the State and its political subdivisions who are clothed with the power of arrest.

Doctors Say KEEP BOWELS OPEN During Cold Epidemics

When colds are all around you, don't let weak spots in your defense arise due to constipation. "Keep Regular," many physicians advise.

For constipation and its strength-sapping symptoms; headache, biliousness, sluggishness, dizziness, sour stomach, use a laxative that acts thoroughly but not harshly. An ideal one is Dr. Hitchcock's All-Vegetable Laxative Powder, which acts thoroughly, but usually with gentleness when taken as directed. It contains pleasant-tasting aromatics, carminatives and what is known by medical authorities as a gastro-intestinal tonic-laxative. It helps tone sluggish bowel muscles.

Dr. Hitchcock's Laxative Powder costs less than 1c a dose. Get it at any drug counter. 10c, 25c. (adv.)

Burgin Voted For Farm Parity Payments

False statements circulated over the Eighth District during the past few days claiming that Representative W. O. Burgin had voted against PARITY PAYMENTS to the FARMERS are positively refuted by the record:

MR. FARMER, READ THIS

Washington, D. C., June 14, 1940.

The Honorable
W. O. Burgin,
House of Representatives
My dear Mr. Burgin:

In accordance with your request, I have verified your record on the Agricultural Appropriations Bill (H. R. 2569) of the Seventh-sixth Congress, First Session, regarding the item of parity payments, which shows that you voted "Yes." This vote occurred in the House of Representatives on March 28, 1939, being Roll Call No. 44.

On the Agricultural Appropriations Bill of the Seventy-sixth Congress, Third Session, you are recorded as having an active pair with Mr. Thomas of New Jersey, favoring the item of parity payments, which means that Mr. Thomas was against the bill and you were for it. This vote occurred in the House of Representatives on May 9, 1940, being Roll Call No. 103.

I hope this is the information you desire.

With kindest regards, I am

Sincerely yours,

(Signed) SOUTH TRIMBLE

Clerk of the House of Representatives.

Every fair-minded Democratic Farmer in the Eighth District should repudiate the effort of Mr. Burgin's opponent to delude them by false propaganda, and

The Job Is Being Done!

North Carolina law officers, accepting the help of the Brewers and North Carolina Beer Distributors Committee, have established a worthy record of weeding out the minority of objectionable beer dealers.

This program of industrial cooperation in law observance is continuing—without "fuss or feathers." Quietly, earnestly, the North Carolina Beer Industry is carrying out its "clean up or close up" pledge.

The dealers who will not be fair to their industry and their state are becoming fewer and fewer. We know, and so do they, that the job is being done.

The public can help by patronizing only legally operated places where beer and ale are sold—and by reporting any objectionable conditions to . . .
