Dear Julie
With Easter only little more than a week off, I'm actually dreaming about the clothes in TOTS' TOGGERY. Last night I dreamed that Mother bought me that navy gabardine coat with yellow linen collar and cuffs, a white Toyo straw hat trimmed in navy, and a beautiful yellow dress with a white eyelet embroidered collar. Do dreams ever come true? If so, Jack wants me to dream about a blue Whitman's gabardine suit for him.
Love, Penny
