SOUTHERN PINES

Dear Julie
Sue left this morning for Greensboro all in a tizzy about her new wardrobe from TOTS' TOGGERY. She has a whizzy new corduroy dress with red flowers appliqued on the skirt and top which she is going to use for dates. Of course, she got a new suit for in-between, and oodles of skirts and sweaters for classes and Jelly dates. She says her clothes are cuter this year than they've ever been.
