## SOUTHERN PINES SCHOOL NOTES

### SIXTH GRADE

Jo Ann Ashcraft is a new pupil in Miss Buckner's Room, after being in four schools this year. She likes our school. She thinks her room is very interesting, and the people in it friendly.

There are also two other new pupils in the room—June Long and David Roth. All three are good students, and help the room.

Before June Long came here she went to school at Fort Bragg, N. C. She thinks her room a very interesting one—much more interesting than most rooms she has been in. She likes the library better than anything in school, because she likes to read. The library in school is nice and has a lot of good books. June thinks Southern Pines is a nice place to live.

There are not many mornings that the Sixth Grade pupils do not have an order for defense stamps. They have fun buying them, but it won't be fun for Hitler and Tojo when those stamps are turned into guns, tanks, and planes. So far, George Straka has bought more than anyone in Miss Buckner's Sixth Grade. He has invested three hundred and twenty-five dollars in bonds. He has made all of this by selling papers. He hopes he will get enough to buy a car after the war.

### THEY'RE GOOD STUDENTS

The following students in the Elementary grades made an S average or better for the 3rd quarter:

## SOUTHERN PINES BEATS CAMERON IN UNUSUAL GAME

The Southern Pines Basketball team played Cameron there last Tuesday night. The game started off swiftly. Both teams were evenly matched, and few baskets were scored. Southern Pines was leading at the end of the first quarter. In the second quarter Cameron came back with a bang, and at the half they were leading by one point. Early in the third quarter, Chan Page, Southern Pines forward, got his directions mixed and raced up the court to score a basket for Cameron. This put Cameron even further in the lead. The game see-sawed back and forth through the third

and fourth quarters, but when the timer's horn blew, the score was tied, 23-23. After a two minute timeout the game was resumed for an extra 3 minute period. Both teams scored a basket in this period and the game was still tied as time grew short. In the last few seconds of the game Cameron had possession of the ball, but just as the horn blew, the referee called a foul on a Cameron player. Worsham took the foul shot and won the game 27-26.

The girls' game, played earlier, was as evenly matched but not as spectacular. Southern Pines won, 16-15.

We are looking forward to our next game with Cameron which will be played at the Southern Pines high school, Friday, Feb. 11, at 7:30.
