Men of Presbytery to Meet March 16th

Dr. James A. Jones, Charlotte, to Address Group at Flora Macdonald College

The annual meeting of The Men of Fayetteville Presbytery will be held at Flora Macdonald College, Red Springs, on Thursday evening, March 16, at 6:30 o'clock.

Dr. James A. Jones, pastor of Myers Park Presbyterian Church, Charlotte, will be the guest speaker of the occasion and will bring a message on "The Christian Layman Building with Christ in the Post War World."

In the rush of present day affairs, we must not forget the importance of the men's organization and its potential value in this post war planning. Certainly this is a subject that is most vital to every Christian layman.

The Men of Fayetteville Presbytery was organized at Flora Macdonald College on November 12, 1940, and each year since that time the annual meetings have been a source of pleasure and inspiration to all who attend. This gives the men of the Presbytery an opportunity to join in fellowship once a year that alone makes this organization worthwhile. A large number of Presbyterian men are expected to attend this din-

ner program which will begin promptly at 6:30 o'clock.

Be sure to come and bring some one with you," the president, J. P. Allred of Laurinburg, urges.
