Returns From Hospital
W. C. Leslie, who has been sick for about two months, returned from the Moore County Hospital last Thursday after undergoing treatment there for over six weeks. His condition is much improved and he can sit up for a few minutes at the time.

Tobacco Crop Burns
Bill (W. A.) Muse of Cameron was in town Sunday night and told of the hard luck which G. T. Isgett, a farmer who lives out from Cameron, had. He had finished curing tobacco and had all of his year's crop except about 100 sticks stored in a feed barn, which went up in flames Friday. Mr. Isgett did not know how the fire started. His wife had been to the barn only a few minutes before it was discovered and had not seen anything wrong.

Loses Sight of Eye
L. D. Thomas, prominent farmer of Carthage Route 3, was in town Saturday afternoon and said that he had recently discovered that he was blind in his left eye. Whiling away the time at a tobacco barn Mr. Thomas covered up one eye and then the other, looking at some trees, and it was then that he found that he could not see with his left eye. He consulted an oculist, but was not given any encouragement as to regaining his sight.

Ill From Spider Bite
W. C. Cox was quite ill Saturday and Sunday, his symptoms indicating that he had been bitten by a black widow spider. While not suffering such intense pain Monday, he was still in bed and will probably be unable to work for several days.
