Many Improvements Pfc. L. S. Blount Are Now Under Way Killed in France at Local Laundry **Owner Is Installing** 

New Machinery and Other Modern Equipment

J. A. Carter, owner of an important local institution, the Laundry, has received and is installing new machinery of the most modern type after having awaited its delivery since February. Mr. Carter expects to complete his improvement plans and within the next few weeks to realing the local laundry one of the finest units in the State.

The building has been reroofed and refloored and is to be repainted. For the comfort of the 35 employees -all local help-three exhaust fans system

## Inducted in January 1943 He Landed in England On May 30; No Details Given

Pfc. Lonnie S. Blount, 32, of an Infantry unit, was killed in action in France on August 16, according to a message received Monday from the War Department by his wife, the former Miss Naomi Melvin of Aberdeen. Details have not been learned.

Pfc. Blount was inducted at Fort Bragg in January 1943, and had received training at San Luis Obispo, Employment Officer day at the Community House in Pinehurst on the subject "The Place Calif., and Camp Rucker, Ala.
