Capt. H. A. Harvey of Pos Capt. H. A. Harvey of Post Headquarters, Fort Bragg, and in Southern Pines Charles J. Montgomery, contact officer Veterans Administration of Fayetteville, addressed the Changes Hands Sandhills Kiwanis Club Wednesday at the Southern Pines Country Club on the "Rights and Ben-efits of the Armed Forces and their Families".

Capt. Harvey, the first speaker on the program, explained that the government was doing everything within its power in offering the very best protection for the men in the armed services and their families in setting up the necessary allotments for the wives and children.

Two hundred officers and 9,000 workers are employed by the government and it is costing the government \$18,000,000 a day, he pointed out. Plans are being made for mustering-out pay at the terfor mustering-out pay at the termination of their service, he declared. Allotments for missing men reported by the War Department as lost in action are continued for a period of twelve months, and can be continued for an additional twelve months when times, in order that out-patient approved by the Secretary of War, he explained.

Mr. Montgomery, in his talk to the club, disclosed that 8,071 veterans had received treatment since the establishment of the veterans hospital at Fayetteville on November 15, 1940. He went into detail in regard to pensions for disabled veterans, showing there is very little red tape in getting them through.

The speaker was introduced by Judge L. T. Avery.

Charles Picquet, chairman of the Ladies' Night Committee, announced the following plans: R. E. Brown will be the guest speaker at the annual Ladies' Night banquet at the Mid Pines Club Tuesday evening, December 5th; the Southern Pines High School Glee Emergency cases will, of course, Club has arranged a very fine musical program and Mrs. L. Sunrise Theatre

New Schedule of Continuous Shows Will Be Effective Sunday

W. P. Benner this week announces the sale of his Sunrise Theatre in Southern Pines to the Everette Enterprise, Inc., of Charlotte, operators of around forty other theatres.

Beginning Sunday, December 3, shows will run continuously according to the following schedule: Daily from 3:00 p. m. to 11:00 p. m.; Saturdays from 11:00 derstood that the same employees who were with Mr. Benner will continue with the new owners, and the theatre will still be known as the Sunrise. Mr. Benner, who owns and operates movie houses in Carthage and Robbins, purchased the Gibbon building on Broad Street opposite the railroad station in the spring of 1941 and after repairing and renovating it, opened the Sunrise Theatre with a seating capacity of 825 in September of the same year. The business was an instant success and Mr. Benner, in reporting the sale, expressed appreciation of the generous support given him by the people of Southern Pines and other Sandhills towns.

Second Week Sales in War Loan Drive **Slower Than First**

TEN CENTS

Citizens Are Urged to Enlist Dollars in the Fight NOW

Figures on the Sixth War Loan drive, which opened on Monday ast week, have been received by County Chairman Eugene C. Stevens from only three towns, but these indicate that the county is off to a good start.

To Wednesday morning Southern Pines had reported approximately \$63,000 on an overall quota of \$154,560; Aberdeen, 30,000 on a quota of \$77,280, and Pinehurst, \$35,000 on a quota of \$110,000.

In Southern Pines first week sales were excellent, but this week they have slowed up, probably due to the fact that it is near the end of the month. It is hoped that as another pay day comes there will be another big rush of

A. B. Yeomans, chairman for Southern Pines, has issued the following appeal:

"The Sixth National War Loan Drive for fourteen billion dollars started last week. Southern Pines' quota is \$154,560.00 overall and \$82,600.00 "E" bonds. With the greatly intensified fighting in western Europe war production must be greater than ever before. Thirty-five days' supply of ammunition is being used in ten days. Gains made by our troops are costing 500 tanks and 900 trucks per month. In the Philippines MacArthur's troops are shooting more artillery ammunition this month than in the past sixteen months combined. New contracts are being let by the Army alone at a weekely rate of \$550,000,000.

"Facts like these speak for themselves; make their own appeal to the nation's will for a speedy victory. We can and must make our quota. The need is imperative. The time for action is NOW."

HD Club Meetings Unique and Varied The Piedmont District of the Says Home Agent

She Finds Great Artists in the Rural Homes of the County

BY FLORA McDONALD Home Demonstration Agent

The Home Demonstration Club meetings are as unique as the sun and as varied as Moore County weather. At the Cameron club meeting last week, the recreational feature was the showing of colored slides by C. R. Hall of Sanford. The slides were of specimens of peonies and gladioli and gorgeous scenes of azaleas, dogwood and fall foliage of the countryside. Mr. Hall discussed the cultivation of the flowers as the slides were shown. Mrs. Angus Ferguson surprised

the Stanton Hill Club with exhibits of beautiful tied and dyed draperies made from fertilizer sacks, at the meeting on Monday. No professional artist could have done a more perfect piece of coloring and designing than was shown by Mrs. Ferguson. A soft blue-green pair of curtains and the cornice board were shown for a bed room. The living room vieces were dyed a deep rose and included not only the draperies but the covering for an easy chair. The rural arts and crafts have

long been ignored and underestimated. This is the people's art; it has nothing to do with queerisms or elaborate theories. It is born of utility. Art here means doing well something that needs to be done, said M. L. Wilson, when he was Under Secretary of the Department of Agriculture. "In addition to immediate econ-No greater artists could be
