

**"LIKE TO SWAP NIGHT CLUBS, PAL?"**

"Sorry, chum—no ringside seats. You sit in the mud, see?"

"You got a floor show of lizards and mosquitoes crawling over your face."

"You got a nice little 4-piece orchestra of Jap mortars, Zeros, machine guns, and your best friend screaming in the next foxhole."

"Come any time, pal. The show goes on all night. For a long time. There's never a cover charge. Not even for the flag they put over you when they carry you out."

**We're all human.**

We all like to go dancing or see a show or buy an extra suit or dress occasionally.

But this war still has a long way to go. There are still 75 million Japs who don't believe in surrendering.

So during this 6th War Loan, how about putting all that luxury money into something a little more permanent—an extra \$100 War Bond at least—to help get this thing really over and bring those boys of ours home?

It'll hurt. But not as much as the Jap bayonet in your neighbor's stomach. You get something back—in ten years — \$4 for every \$3 invested. He doesn't.
