### Goblins, Witches To Hold Court In Town Thursday

#### Rotarians To Stage Halloween Doings With Fun For All

The annual Halloween Party given by the Rotary Club of Southern Pines to the children of Southern Pines will be held this year Halloween evening, October 31, beginning at 7:00 P. M. As usual the activities of the night will begin with a grand parade. Every child in costume is asked to participate in this parade. There will be prizes for the most beautiful, the funniest, the most unusual and the most horrible costumes. The Rotary Club selected, as the judges of this parade, Mrs. E. Levis Prizer, Mrs. E. M. Poate, Mr. J. W. Dixon and Col. Louis Scheipers.

The activities of the evening will include the drawing of names of Southern Pines children for certain prizes donated by the merchants of our city and the grand prize of the evening presented by the Clark Furniture Company will be given to some lucky child regardless of costume.

Other activities of the evening include a sack race, a candle race, a wheelbarrow race and a tug of war. As usual there will be an apple-ducking stand, free punch and doughnuts for all children and plenty of noisemakers. One of the features of the evening which has always attracted much attention will be the pie eating contest. At 9:15 P. M. every child in Southern Pines is invited to be the guest of the Southern Pines Rotary Club at the second show of the Sunrise Theatre which will be "Boys' Ranch".

The Committee of Rotarians in charge of this program and the night's activities is headed by Duke Lloyd Clark, Chairman, and the other members of the committee are Morris Johnson, Virgil Clark, Garland Pierce, Harry Brown, Herbert Cameron and Tucker Humphries. This committee would like to use the good (Continued on Page 5)

### O'Callaghan Heads Athletic Planning Committee Here

At a meeting of the Planning Committee for the Athletic Field and other activities for Physical Education and Recreation programs for the School and community, L. V. O'Callaghan temporary chairman of the committee was elected permanent chairman, and J. W. Dickerson, executive secretary.

This committee was selected from every organization in the town, and each member reports back to his organization suggestions of the committee for a coordinated program for improvements deemed most feasible or most urgent, or that will stand the best chance of success in the betterment of the Athletic Field or the Physical Education program.

The planning committee was formed in recognition of the need to coordinate money-raising activities for improvements to the field and other things that from time to time various organizations wish to sponsor or promote. With representation from all organizations it is felt that all will be working for a common goal, and promoting the common good.

After hearing from Superintendent Phil Weaver, and others, the committee recommended that the various organizations consider means of raising money to build a field house at the Athletic Field which at present has no resting place or toilet facilities for the teams, or spectators.

### Southern Pines Meets Unbeaten Team In Six-Man Game Here Next Week

Two undefeated, high scoring teams will risk spotless records here Wednesday afternoon when Southern Pines clashes with a tough Hope Valley High School team from Durham in an all important conference game. The winner will become a leading contender for the Eastern title.

Boasting a line averaging well above 200 pounds, and a backfield tipping the scales at 160 pounds, the team from Durham will probably be the most rugged the Blue and White will face this year. Lowe's Grove, undefeated in two years has been the only school to give Hope Valley a close game, losing out 20 to 12. Overwhelming their other opponents with a powerful running game, and using a passing attack from their triple threat star Johnson, with 9 touchdowns to his credit in four games, to Dollar left half-back to confuse any defensive set up against their running game, Hope Valley has been un-

stoppable. In the Eastern Conference race this year, they have been regarded as the team to be stopped. But the way Coaches Dawson and Weaver and the local team are working indicates confidence that the visitors can be stopped, and determination that the Blue and White will be the team that will put the halter on.

And for that matter it is probable that Hope Valley is doing some worrying, too. Heavily outweighed in the line and backfield, Southern Pines will pin their hopes of victory on speed and deception, and striking through the air lanes. And, if the Durham boys stop a running attack spearheaded by Blue or the elusive Gary Matlocks, tailbacks, slippery Red Smith, and pile driving Bobby Straka on the wing, and the passing combination of Grey to Harrington, they will have had a busy afternoon-period. As for (Continued on Page 5)

### Hoss Thieves Foil Sheriff's Men At Pine Crest Manor

#### Johnston Urges Local Force Increase With Cassidy As Sleuth

Are there rustlers lurking in our pine woods? That was the question in the mind of Virgil Johnston this week. If there is anything he thinks a lot of it is his horses: Prince, the older horse, and the young two-year-old mare. If there are rustlers around he wants to hire him a Hopalong Cassidy and tell him to fly to it. On the other hand, if those two horses are playing tricks on him, he wants to know that, too. Not that he would do anything about it. Just wouldn't be so worried next time.

It seems that last week, the horses disappeared. And they disappeared, not just once but twice. Johnston figures those rustlers were really determined to get them.

The first time they were back pretty quickly. But the second time, last Wednesday, they were gone a full twenty-two hours. That was a feverish stretch of (Continued on Page 5)

### Boy Scout Honor Court Held In Pinehurst

The regular monthly meeting of the Moore County Court of Honor was held at the Pinehurst Community Church on Monday night, October 21st. A large crowd of Scouts, parents, and adult friends of Scouting participated in this ceremony.

I. C. Sledge, Advancement Chairman for Moore County, presided over the meeting. Forty-nine Scouts and Scouters received Awards at this Court. An attendance prize, consisting of a huge cake, was presented to the Troop having the largest number of Scouts and visitors present. This was won by Troop 99 of Highfalls.

Troops present were: Troop 7, Pinehurst, Ernest Hartsell, scoutmaster; Troop 74, Robbins, John Lanier, scoutmaster; Troop 76, Vass, A. G. Edwards, scoutmaster; Troop 86, Manly, Rev. T. D. Mullis, scoutmaster; Troop 73, Southern Pines, Lt. Col. Donald Madigan, scoutmaster; Troop 98, West End, A. P. Farmer, Jr., scoutmaster; Troop 99, Highfalls, L. W. Hewett, Sr., scoutmaster.

Members of the District Committee present were Paul Butler, Chairman, and Major W. D. Campbell, Commissioner. Both participated in the presentation of Awards.

The next meeting of the Court of Honor will be held at the Schoolhouse in Southern Pines on Monday night, November 18th at 7:30 p. m.

### State College Man Lauds G. I. Pupils In Kiwanis Talk

#### Harrison Contradicts Last Speaker's Views On Veteran Program

Col. J. W. Harrison, Chancellor of State College, addressing the Sandhills Kiwanis Club at Pinehurst Wednesday on the subject of "The G. I. and G. I. Education" informed the Kiwanians that State College has an enrollment of 4,901 students—a 90 per cent increase over the pre-war high of 1942.

Continuing, Col. Harrison stated the largest number of these students are serious-minded G. I.'s who are taking advantage of the opportunity for an education. He pointed out this is the only "land grant" college in the state, and the only school of technology. It was originally built for 2,500 students.

Colonel Harrison, a pleasing speaker, stated the greater number of the G. I.'s are in the freshman and sophomore classes and their grades as a whole are better than those students with non-military training. He declared the highest paid members of the staff at State are the agricultural specialists and it has been necessary to set up a Foundation in order to obtain training specialists for the textile school and the engineering school, as industry has been able to pay much higher salaries.

In conclusion, he said classes are started at 8:00 in the morning and continued until 6:00 p. m. and it has been necessary to conduct classes on Saturdays, because of lack of facilities. The speaker was introduced by Paul Butler, Chairman of the Program Committee.

#### NEW BUILDING

It is good news when our returned servicemen find jobs at home. One such is Ralph L. Chandler, Jr. Recently back from service in both the European and Pacific Theaters, as a member of the 1053rd Port Construction and Repair Group, Army Engineers, Ralph is now secretary of the local office of the Sandhills Oil Company.

The new warehouse on East Broad Street was one of the few construction jobs completed recently. Because of the non-priority material of concrete blocks, building was not halted and the combination office and storage building was finished last spring.

#### PILOT JANITOR

Ed Torrence, who is the very handy man around the Pilot, and around lots of other places in Southern Pines, went to Duke Hospital last Wednesday. He is back again at work.

### YOU'VE GOT A DATE

DON'T FORGET . . . that rendez-vous with those three Southern Pines girls at the School on Friday night. They are waiting, and a lot of others along with them. That's a date that's going to be worth keeping. You don't have to register to vote in that election. . . just PAY!

### Historical Group Holding Opening Meeting Of Fall

#### Planning Shaw House Repairs, And Taking Up New Projects

The Moore County Historical Association is holding its first fall meeting on Thursday night, after The Pilot goes to press. Reserved, therefore, for reporting next week, will be the account of proceedings. However, anticipating a good attendance, the chairman, W. H. Leland McKeithan, has announced the agenda for the evening's meeting.

Noting that, due to circumstances beyond control, little had been accomplished toward the first project on the list, the repairs to the Old Shaw House, the chairman said that the head of the building committee, Alfred B. Yeomans, stated that word had been received from John McQueen that the shingles which he has promised for the roof were now being cut. As they are being cut by hand from cypress in the almost inaccessible parts of the big swampland, the task of getting them out is hard and it is thought that it will be several months before they are ready. It is hoped that, with the help of Roy Newton, John White and others on that committee the work of reshingling the roof may then be started.

Further work on the plans for house await the word of experts in that field. It is stated that the suggestion has been made that someone familiar with such restoration work be consulted in order to assure the local committee that they are proceeding along sound lines.

The chairman announced that much enthusiasm was being shown for a renewal of the meet- (Continued on Page 8)

### A Survey Of The U. S. Program For Lasting Peace Through UN

#### Aims And Attitude Of Congress Seem Uncertain

The United States has accepted Collective Security, International Cooperation through the UNITED NATIONS, as the best insurance against war.

#### LASTING PEACE IS NOT A PARTISAN ISSUE.

The United Nations, at present is ONLY A BEGINNING, a framework, the structure must be built. Some senators voted for it, not believing in it, and intending to hamper it.

We, the American People, expect Congress to represent us fairly, but DOES IT?

Judging from their votes, less than half of the 96 senators (43 to 45) can be depended on for whole hearted support of UN. At least 25 senators, again judging from their votes, are complete isolationists.

Isolationists in Congress, as elsewhere, HAVE NO PROGRAM FOR PEACE, except the discredited one of isolationism.

Debate in Congress, moreover, too often is marred by vindictive remarks, which place even our most generous action before the world as that of a greedy and heartless nation.

### Southern Pines Club Pair Qualify With Perfect Golf

#### Torza and Carter Join The Birds With Star Spangled Score

Felice Torza, 26 year old Connecticut open golf champion, and Jack Carter, local golf star, shooting sub-par golf over the Mid-Pines - Pine Needles course Tuesday and Wednesday posted the best ball 126 to win the 36 hole qualifying round in the Sandhills Best Ball Team Tournament.

Trailing by 11 strokes were Jack Sheffield and James Paul, Long Island, N. Y., visitors, who turned in the best ball 137.

Torza, a top-notch amateur who holds a five handicap for the State of Connecticut, was out in the opening round at Mid-Pines Tuesday with a gross 32-36-68, four strokes under par for the 6,401 yard par 72 course. He scored birdies on the 4th and 6th and eagle 3 on the 448 yard par five 5th - four under par out. On the inward voyage he was even par.

Carter, who has been shooting exceptionally good golf, duplicated the eagle on the 448 yard 5th, birdies on the 9th and 15th, but was over on the inward round to end the match at Mid-Pines with a gross 73—one over par.

In the match at Pine Needles, the Southern Pines Country Club team continued their sub-par golf in carding a 68-3-65.

Torza, who will be here this season, established a new course record at the Goodwin Park Club in Connecticut this past summer in posting a 64 to win the Hartford Open Title.

Other scores in the Sandhills Best Ball Team Tournament are Maj. William Campbell and George T. Dulap, Jr., Pine Needles Club, 71-69-140; Carl Andrews and Chris Dunbhy, Pinehurst Country Club, 71-70-141; Dr. Aldo Sala and Ernest Mevo, Ridgewood, N. J., 72-70-142; E. G. B. Riley and H. J. Hewat, Pinehurst Country Club 73-73-146; Ken Kennedy and P. S. P. Randolph, Pinehurst Country Club, 70-77-147. Match play started Thursday at Mid-Pines.

### Health Leaders Of Ten Counties Meet With State Good Health Group At Mid Pines Club November 1st

#### U N (THE PRESIDENT'S WORDS)

The American people look upon the United Nations not as a temporary expedient but as a permanent partnership—a partnership among the peoples of the world for their common peace and common well-being.

This assembly is the world's supreme deliberative body.

The highest obligation of this assembly is to speak for all mankind in such a way as to promote the unity of all members in behalf of a peace that will be lasting because it is founded upon justice.

The United Nations will not be able to remove the fear of war from the world unless substantial progress can be made in the next few years toward the realization of another of the four freedoms—freedom from want.

It must be the determined purpose of all of us to see that the United Nations lives and grows in the minds and the hearts of all peoples.

### Co. Health Dept. Lists Much Work Many Clinics Held

In the quarterly report issued October 1st, by the Moore County Health Department (since the war combined with the Hoke County Department), a list is given of the work accomplished, which, it is felt, hardly represents the strenuous devoted work which went into it.

Listed as routine accomplishments are the vaccination clinics; where the figures given should be in most cases doubled or tripled, as they indicate the full course of treatment. Diphtheria vaccinations were 444, (actually twice as many shots are given,) 433, for smallpox, 329 for whooping-cough, (again, this represents, in each case, four shots for each vaccination.) The number of typhoid fever immunizations was 1567, (with three doses each.)

Only 15 cases of whooping-cough have been reported, probably a lower figure than the actual number of cases in the county.

There have been 766 blood tests made in the district, and 181 smears for gonorrhea; 126 urinalysis were done and 29 feces for parasites, as well as 13 cultures for diphtheria; four spinals were done at Moore County Hospital. There have been two positive specimens for rabies. Thirty-two cases were admitted to Rapid Treatment Center for venereal disease.

In the tuberculosis work, there have been four patients admitted to the Sanatorium, with 239 fluoroscopes done by the Health Officer. There were included in this number 181 Moore County teachers, white and colored.

In the field of Maternal health, with eight clinics held in dif- (Continued on Page 5)

#### G. I. RALLY

Tonight, Friday, the first Eighth District GI Democrats dinner and rally will be held at the Club Chalfonte, Pinehurst at 6:30 p. m.

The Moore Club will act as host for the evening and Jere McKeithan, Aberdeen, program chairman has outlined an interesting agenda for the meeting.

This rally tonight will bring together for the first time delegates from the whole district.

### Will Hear Plans For Local Participation In Overall Setup

The Mid Pines Club, the scene in the past of many important gatherings, has been chosen for the meeting place of the North Carolina Good Health Association's lunch-meeting on November 1st, to which the counties of Mecklenburg, Cabarrus, Stanly, Union, Anson, Montgomery, Richmond, Lee, Hoke, and Moore will send representatives from their local health committees.

The meeting will start with luncheon at 12:30, followed by speeches by Dr. Greer, the president, Harry B. Caldwell, executive secretary, and leaders in the field of health. Invitations are being sent to all health officers and medical associations, as well as to laymen interested in the cause. Representing this section on the State committee is Mrs. Paul P. McCain of Sanatorium. It is said that Dr. Wilcox of Carthage, head of the Moore-Hoke Health Departments, members of his staff, and the heads of the hospital, as well as many of the directors will be present. Several members of the Moore County Maternal Welfare Committee, of which Mrs. McCain is vice-chairman and Mrs. James Boyd, chairman, are planning to attend.

The public is urged to attend the meeting, the speeches starting about 1:30, and hear what this committee is planning to do to improve the health of the state.

### Andrews Wins Mid-South With 75

Karl Andrews with a round of 39-36-75, won the one day tournament held by the Mid-South Seniors Golf Association, played last Sunday over the summer course. There were 33 entrants, members being present from Wilson, Asheville, Siler City, Durham Chapel Hill, Greensboro, Charlotte, Southern Pines and Pinehurst.

The field was divided according to ages: Class A, 61 and over; B, 56 to 61; C, 51 to 56; D, 45 to 50. Mr. Andrews, playing in the D class, was hitting his tee shot twice as far as some of the older members. As Mr. Andrews won the tournament, first gross in class D went to Chester I. Williams. Pinehurst, with 81. The net winner in this class was A. R. Bennett, Chapel Hill, with 90-20-70.

Other winners: Class C: W. E. Baker, Durham 77, gross; J. P. Stockton, Pinehurst, 82-13-69, net. Class B: Howard Kenworthy, Pinehurst, 79, gross; A. F. Duckett, Durham, 79-10-69, net; Class A: E. G. B. Riley, Pinehurst, 81, gross; W. G. Thomas, Charlotte, 85-15-70 net.

Other Pinehurst members scores. Bob Harlow 82, P. S. P. Randolph, 83, H. G. Phillips, 82, Arthur Thomas 85 and W. J. Bryan 104.

Dr. Robert Lawson, of Chapel Hill, President, was assisted in conducting the tournament by Mrs. Estelle Lawson Page, former amateur champion and the present Southern champion.

#### C OF C

Last word on the Southern Pines Chamber of Commerce Drive is that it is going like a house afire. Contributions, so far are running about one hundred per cent ahead of last year, with much enthusiasm shown by both workers and suckers. T'aint often you get that!

This is a case to prove that nothing succeeds like success.
