

**Rotarians Name
Phillips Chairman**

Appointment of June Phillips as club chairman for the Rotary-Elks baseball game was made at the Friday luncheon meeting of the Southern Pines Rotary club. The new chairman immediately announced that, contrary to previous expectations, several rehearsals would be held, to obviate the possibility of strained backs, broken necks, etc., during the great contest slated for June 25.

Each member of the club was designated a ticket-selling agent for the fracas, with the object to achieve 100 per cent sales in the community and raise as much money as possible for the athletic field improvement fund.

Rev. W. S. Golden, of Carthage, was guest speaker of the day, presented by Lloyd Clark, program chairman, to deliver an address on "Nothing." Contradicting its title, the talk was filled with many things— anecdotes, humor, and a practical lesson for everyday living.

Virgil Clark presided in the absence of the president, Morris Johnson.
