**Janet Rosser Is Wed To  
Russell Spicer**

Of interest throughout the Sandhills is the wedding of Miss Janet McLean Rosser, only daughter of Dr. and Mrs. Robert G. Rosser of Vass, and Russell Spicer, son of Mr. and Mrs. George H. Spicer of Maplewood, N. J., which was solemnized on June 21 in the Second Reformed Church in Irvington, N. J.

The bride wore a wedding gown of printed organdy. She was attended by a classmate, Miss Kathie Campbell of Oberlin, Ohio, as maid of honor.

Mrs. Spicer is a talented musician, who began her public appearances with a baby-sized violin at the age of four years. She attended Vass-Lakeview school until her junior year, when she transferred to St. Mary's in Raleigh. Following her graduation from the high school department, she attended Meredith College, Raleigh, for one year, and for the past two years has studied violin and piano at Oberlin Conservatory, Oberlin, Ohio. She plans to complete her course there next year.

Mr. Spicer, whose college work was interrupted by two years' service during the war, was graduated from Oberlin College on June 24, where he double majored in mathematics and physical education. He and his bride returned to Oberlin for his graduation, following the wedding. They will be at home in Dayton, Ohio, during the summer where he will play professional baseball with the Dayton Indians. He plans to teach during the coming school year. Mr. Spicer plays the violin, also.

The couple was honored with a reception and cake cutting at the home of Mr. and Mrs. Spicer following the ceremony. Cake and punch were served.

**Margaret Bettini Is Bride  
Of George Perry Fulton**

Miss Margaret Bettini, daughter of Mrs. T. J. Smith of Vass and the late Charles C. Bettini, became the bride of George Perry Fulton, son of Mr. and Mrs. Alvin P. Fulton of Lynn, Mass., in a beautiful ceremony at five o'clock Friday, July 4, in Maple Street Methodist Church, Lynn. The Rev. Daniel Thurston officiated and Miss Minnie Burt, organist, played the wedding music. Candles and arrangements of red roses decorated the church.

Given in marriage by her brother, Curtis Bettini of Vass, the bride was attired in a white tailored suit, white hat with black trim, and white accessories. She wore a corsage of red roses.

Mrs. Benton P. Dana of Florence, Ala., sister of the bridegroom, was matron of honor. Her dress was of yellow and brown jersey, and her flowers were yellow carnations and sweet peas.

Robert Brownell of Lynn attended the bridegroom as best man, and ushers were Robert T. Fulton and Frank N. Fulton of Lynn, and Benton P. Dana of Florence, Ala.

Mrs. Fulton, a graduate of Vass-Lakeview high school, is a registered nurse, having graduated in May 1946 after training at the North Carolina State Sanatorium, and Moore County Hospital, Pinehurst.

The bridegroom, who served with our armed forces during the recent war, will continue his education this fall at M. I. T. After a motor trip to Maine, he and his bride will be at home at 16 Rantoul Avenue, Lynn, Mass.

Following the ceremony a reception was held in the church vestry with around fifty in attendance. The wedding cake was cut and punch and bridal cakes were served.

Mrs. T. J. Smith and Mr. and Mrs. Curtis Bettini of Vass attended the wedding and reception.

**- and Ability to match**

**G**IVE yourself five seconds, and you know that here's car styling as up to the minute as the time of day.

Spend a few fast minutes to see why — and you spot both smartness right from tomorrow's designing boards and everything that should go with it.

Measure the reach and spread of that Buick bonnet, brim-filled with Fireball power.

Sweep your glance over the broad beam that spells room, the stretch that means easy-riding wheelbase, the size that tells of enough roadweight to end jounce and jitter.

Here, you tell yourself, is something to see. Here are looks to hold the eye for seasons to come — and lively, durable ability to match:

... Rich abundance of smooth, hushed Fireball horsepower from a

straight-eight kept young and lively by Accurite cylinder finish.

... Tireless coil springing on all four wheels, leveling all roads to boulevard smoothness.

... Riding poise from two steadying tons of roadweight — ease of handling from balance to draw a ballet dancer's envy. Soft, roomy cushions seating three apiece — finish that's the very last word in richness and taste.

Yes, it takes no time at all to show that you and Buick belong together, should go together steady — so what's holding you back?

After all, we can't do much about getting one to you till you make your wishes plain. You do that simply by placing your order — which will get equal consideration whether or not you have a car to trade.

TUCK AWAY PLENTY! Roomy luggage compartments hold plenty — and high-lifting lids make it easy to get at any piece.
