

All Star Game Set For Sanford

The annual Tobacco State League All Star game has been set for Monday, July 21, with Sanford designated as the playing site because of its first place position at midnight, July 4.

This year the plan will be different from last season's when a team from the western part of the league met a team from the east. This year Sanford will play a picked team from the other seven in the loop. The players will be chosen by ballot by all the club managers. The manager to oppose Sanford Pilot Zeb Harrington in the second annual classic will also be chosen by ballot of the managers. These ballots have already been distributed by the league president, A. T. Moore. Because of Sanford's first place position, they could choose the site they wished and they chose their own grounds at Temple Park in Sanford.

If the game is rained out or for other reasons cannot be played the contest will be reeled off the following night. If played as scheduled, the 22nd will be an off day in the league.

CHRISTIAN SCIENCE

"Life" is the subject of the lesson-sermon at the Christian Science church Sunday. Service and Sunday school are at 11 a. m. The Wednesday evening testimony meeting is at 8 o'clock.

There is a new Dutch sweetening which is said to be 4,000 times sweeter than sugar.

TOBACCO VOTE

Farmers of Moore county voted overwhelmingly in favor of the 10-cents-per-acre assessment for tobacco export promotion in the tobacco referendum held throughout North and South Carolina Saturday.

With 966 Moore farmers going to the polls, 953 votes for the export program were chalked up with only 13 against.

In this they accorded with other farmers voting that day throughout the two states, who gave overwhelming approval to the program of Tobacco Associates, Inc., for the upbuilding and stabilization of export markets for flue-cured tobacco throughout the world.
