Here's How Throat Specialists Proved

CAMEL MILDNESS

in 30-Day Smoking Test!

In a recent test, hundreds of men and women smoked Camels—and only Camels—for thirty consecutive days. Smoked an average of one to two packs a day. Each week, the throats of these smokers were examined by noted throat specialists—a total of 2470 examinations. These throat specialists found NOT ONE CASE OF THROAT IRRITATION due to smoking CAMELS!

CHECKS DELAYED

The Public Assistance monthly checks for aged persons of Moore county have been delayed in the month of October, according to information from the county welfare office. This has been necessary as the state department of public welfare in Raleigh has revised a large part of the state's public assistance grants. The checks will probably be late again in November. No one will lose his check unless he has been notified by the department. The October checks should arrive this week, said Mrs. W. B. Cole, welfare officer.

Postal Receipts For Quarter Show Healthy Increase

Postal receipts of \$8,645.15 for the third quarter of 1948 showed a healthy gain—23.59 per cent, to be exact—over those for the same period of 1947, according to figures released by Acting Postmaster A. Garland Pierce.

Receipts for July, August and September of 1947 were \$6,995.18. Postal savings also showed a gain, from a depositors' balance for the quarter of \$168,258 in 1947, to \$179,510 for the same period of 1948. The gain is 5.19 per cent. The 1947 amount represented an excess of \$642 of deposits over withdrawals, that for 1947 of \$2,015.

In July, August and September, 1948, 4,013 money orders were issued in the amount of \$62,139.78, and 1,723 were paid in the amount of \$25,886.93. In the corresponding period of 1947, 3,988 were issued, for \$53,872.39, and 1,571 paid, for a total of \$24,368.40.

Postal notes are becoming increasingly popular, according to

Postmaster Pierce's figures, which show that in the third quarter of 1948, 790 were issued (for \$3,987.51), more than twice as many as the 238 issued (for \$975.84) for the same period of 1947. Also, in 1948, 214 were paid, for a total of

\$1,232.07; in 1947, only 167, for \$1,030. Cancer is not confined to the aged. Only half of those who died of this disease last year were over 65 years of age.
