Fishing Trips

Last weekend saw a number of Vass men getting out their fishing tackle and heading for the coast. Some report good luck—and brought back plenty of fish to back up their reports—while others had no luck at all.

Thurlow Evans, J. B. Parker, Raymond Gibbons, Calvin Blue and James Ring went to Wilmington, and while they saw plenty of fish, they failed to make a big catch.

Three groups went to Shallotte. H. C. Callahan and his sons Howard and Mack comprised one party; J. O. Key, Alex Jones, June Howell, J. A. Lassiter and Daryl Patterson made up another, and Ed Callahan, Charles Cameron and Harvey Jessup, the third.

Women's Meetings

"When it rains it pours" proved true last week, as all of the women's meetings of the fall seemed crowded into one week. Tuesday the Presbyterian women of District 6 held their group conference at Southern Pines and the local organization was represented by Mrs. Eugene Hicks, Mrs. H. D. Jackson and Mrs. N. N. McLean.

Wednesday night another Presbyterian conference was held in Carthage, and going from Vass were Mrs. H. C. Wilson, Mrs. P. A. Wilson, Miss Agnes Smith, Mrs. Hugh McLean, Mrs. D. F. Cameron, Mrs. T. L. McNair, Mrs. W. D. McCraney and Miss Margaret Bass.

In West End on Wednesday was held the fall meeting of District 9, North Carolina Federation of Women's Clubs. Representing the Vass club were Mrs. E. L. Finch, Mrs. R. E. Beasley, Mrs. H. A. Borst and Mrs. C. L. Tyson.

Mr. and Mrs. Dock Hudson, their son and daughter-in-law, Mr. and Mrs. James Hudson, left Sunday for Texas to visit Pfc. Bobby C. Hudson, who was wounded in action in Korea last month and flown to a Texas hospital. The wounded youth is a son of Mr. and Mrs. Dock Hudson.

Celebrates Anniversary

The Vass Woman's Society of Christian Service, in connection with its regular meeting held at the Methodist church Tuesday evening of last week, celebrated its 10th anniversary under the new set-up, with members of the Cameron WSCS as special guests.

Mrs. H. A. Borst, president, welcomed the guests and Mrs. Horace Mullinix led the devotions. Miss Louise Leslie was leader of an interesting program on "Medical Missions in Other Lands." Mrs. A. G. Edwards, Jr., presented the topic, "Christ Cured Many of Their Infirmities," and Mrs. C. P. McMillan explained the various types of medical work carried on in the mission fields. Mrs. Redga Thomas discussed some of the problems which confront medical missionaries, and Mrs. W. H. Keith presented this great service as "An Inspiring New Adventure."

Mrs. Russell Bullock told a story, "The Good Life," and Mrs. W. D. Matthews led the group in prayer.

The program closed with an impressive candelighting service. Occupying the center of the altar table was a birthday cake bearing 11 candles, 10 representing the various goals of the Society and the other "to grow on." Explaining the goals and lighting candles were Mrs. C. L. Tyson, Mrs. W. A. Muse, Mrs. A. G. Edwards, Sr., Mrs. Charles Gschwind, Mrs. G. E. Griffin, Mrs. Paul Odom, Mrs. Frank Jeffreys, Mrs. Thomas Morgan, Mrs. W. H. Keith and Mrs. T. Frank Cameron. Mrs. Borst lighted the 11th one.

A letter from Mrs. W. J. Cameron, thanking the Society for a gift and cards sent because of her illness, was read.

Mrs. Gladys Warren of Cameron expressed the pleasure of her group at being present to enjoy the splendid program, after which Mrs. Borst invited all present to the ladies' classroom, where re-

Outstanding Record

Mrs. H. A. Borst, Methodist church treasurer and teacher of a class, has a record for attendance at Sunday School that few can match. She has not been absent since February 5, 1933, when she missed because of the death of an uncle, and she had perfect attendance for several years prior to that time.

Mrs. Borst was recognized last Sunday morning, at the same time that little Ann Edwards received a wreath for two years of perfect attendance.

Winnie Carolyn Edmisten

Winnie Carolyn is the name which Mr. and Mrs. Dewey Edmisten of Rockingham have chosen for their baby daughter, born Monday, October 2, in Lee County hospital weighing six pounds, 10 ounces. Mrs. Edmisten with the baby came to the home of her parents, Mr. and Mrs. Clayton Evans, on Thursday of last week to spend some time. Mrs. Edmisten is the former Alice Evans.

We have faith

in you —
in ourselves —
in America —

We believe

that most Americans are capable of paying their own bills, planning their own budgets and mapping their own futures.

that most Americans resent having politicians or bureaucrats tell them *what* they need, *where* to get it and *how* to pay for it.

that most Americans prefer to solve their problems —medical or otherwise—by means of self-reliance, free choice and voluntary methods.

that most Americans will work and fight to preserve freedom, both at home and abroad.

The menace from abroad is Communist tyranny.
The menace at home is creeping Socialism.

CAROLINA POWER & LIGHT COMPANY

THE VOLUNTARY WAY IS THE AMERICAN WAY

HEALTHY, WEALTHY

AND why?

America is the healthiest great Nation in the world. Americans live more abundantly than any people in the world. . . . why?

Not because somebody passed a law. But because the founding fathers were WISE. Because they turned away from dependence on Government. Because they believed that real security is based on individual initiative.

Americans today believe that, too. That is why America is the symbol of human Freedom . . . the bulwark of world liberty! The strength of America is the product of creative, free initiative. America's health is the best in the world. A free medical profession will keep it so.

Freely, without compulsion, over 70 million Americans have secured the best medical care in the world, through Voluntary Health Insurance, prepaying the major costs of illness.

The price is low—the care is the best. Your program for your family can be tailored to fit your needs and budget. DON'T WAIT TILL ILLNESS STRIKES—Call Today!
