

JOIN THE MARCH of DIMES

January 15 Through January 31

Defeat The Crippler!

Lend A Hand!

Every year thousands fall victim to the home front enemy—infantile paralysis—and last year thousands received treatment from the emergency aid given by the National Foundation for Infantile Paralysis.

The disease attacked weak and strong alike invading the richest and poorest homes in the nation. Your dimes and dollars supporting the National Foundation for Infantile Paralysis made it possible to render expert care and treatment to all polio victims, regardless of age, race, creed or color.

This summer America must be equally prepared to meet whatever epidemic emergencies may arise.
