Aberdeen Youth Fatally Injured As Car Overturns

Ted Phillips White, 20, of Aberdeen was fatally injured, when his car went out of control and overturned on US Highway 1, just north of the Aberdeen city limits, shortly before midnight Saturday.

Young White, who was driving, was thrown clear of the vehicle as it turned a complete somersault, landing on its wheels. His skull was fractured and he never regained consciousness. An ambulance rushed him to Moore County hospital where he died some three hours later.

A companion, J. E. Cummings, a soldier, on leave from Fort Knox, Ky, was reported uninjured in the accident. According to the State Highway Patrol report, Cummings was arrested after the accident on a public drunkenness charge.

The investigating patrolman said that White's car heading south, passed another car "at an excessive rate of speed," then swerved across the center line to the left lane, and traveled some distance on the left shoulder before getting back on the highway, where it careened end over end.

Funeral services were held Monday afternoon at the First Baptist church in Aberdeen, conducted by the pastor, the Rev. Zeb A. Caudle, with burial following in the family plot in Ashcroft. (Continued on page 5)

Jack Spring Hurt In Midland Road Accident Sunday

Jack Spring, 22, of Southern Pines was painfully and seriously injured at 8:25 a. m. Sunday when his car, heading toward Southern Pines on the Midland road, was forced from the road, striking a tree.

He was taken to Moore County hospital, where it was found he had sustained internal injuries, several fractured ribs and a fractured vertebra. An operation was performed soon after his admission to the hospital, and at mid-week he was reported to be getting along satisfactorily.

According to the State Highway Patrol report, young Spring was passing a hotel bus at a point near the Dunes club when the other vehicle pulled ahead, forcing him to the shoulder. Fresh pine straw proved slippery under the wheels of Spring's car, and it went out of control.

Young Spring, son of Dr. and Mrs. J. J. Spring, is employed as night clerk at the Carolina hotel, Pinehurst. He was on his way home after work when the accident occurred. His car was considerably damaged.

Laudick, at the close of the 38th semi-annual Cummings golf tournament at the Mid Pines club last Saturday. Mr. Laudick is District of Columbia rent commissioner. What is former Senator Scott Lucas doing in the picture? That's simple—he's a winner, too, for picking the Fleming Cup winner in advance. (Photo by Emerson Humphrey)

General Cummings Host To All-Star Semi-Annual Golf Party At Mid Pines

A group of the country's most prominent men shed their cares of office last week end to attend a famous semi-annual "house party." This was General Homer Cummings', which each spring and fall draws some 40 or 50 of the nation's leaders in all fields to the Mid Pines club.

Repeated were the traditional tournaments in which, season after season, the great men test their golf and sometimes find it wanting. Winner of the Fleming trophy, of which Robert V. Fleming, president of the Riggs National bank at Washington, is the donor, in the Saturday tournament was Louis W. Laudick, District of Columbia rent commissioner.

General Cummings, who served as U. S. Attorney-General under President Roosevelt, greeted his guests with a smile that grows more beaming through the years. He has been playing host to the group twice a year for 18 years. The main body of the golfing party remains amazingly constant. Death, however, has claimed some of its members, and new members appear from time to time. Among recent newcomers attending this time were Gordon Dean, chairman of the Atomic Energy Commission, and Gen. Hoyt S. Vandenberg, Air Force Chief of Staff.
