Southern Pines School District Has Greatest Increase; Pinehurst Is Next

Many Schools of County Show Loss; Net Gain Is 51

The Southern Pines school district this fall led all the 11 districts of Moore county in increase in school population over last year, gaining 47 pupils, it was learned from a compilation of all figures made at the end of the first school month.

Gains in the Southern Pines district were more than twice those of the runner-up, Pinehurst, which showed a net increase of 22.

Total gain in white schools for the nine-district Moore County system was only three, which was wiped out by a loss of 21 in the Negro schools—an overall decrease of 18.

Practically all Negro schools in the county showed a definite loss or barely appreciable gain. West Southern Pines, the Negro school in the Southern Pines district, gained four, while the white school gained 43, enough to secure an extra teacher.

Overall figure for the Southern Pines district showed a jump from 935 last year to 982 this year. Total number of white pupils in October of this year was 552—126 in the high school, 426 in the elementary department. Last year these figures were 509 total—121 high school, 388 elementary.

At West Southern Pines enrollment reached 480, as compared with 426 last year. The high school lost four, numbering 111, while the elementary department gained eight, totaling 319.

At Pinehurst, high school enrollment (white and Negro) stayed the same, 187, while the elementary jumped from 471 to 493.

In figures compiled for the white schools of the Moore County system, four districts showed gains while five showed losses. The Aberdeen white schools were the fastest-growing, jumping from 634 to 655, a gain of 21. Highfalls gained 20, from 278 to

County Needs To Put On Speed In Bond Drive

According to an announcement by E. C. Stevens, chairman of the County U. S. Savings Bonds committee, \$34,325.25 worth of Series E, F and G defense bonds have been purchased in Moore county in the period September 3 through October 27.

The current bond drive continues through November 13 and the county quota is \$70,000.

With 80 percent of the 10-week reporting period gone, only 49 percent of sales quota has been attained in Moore.

"There is still time for Moore county to go over the top," the chairman said. "In order to show the many young men in our county who have joined the fighting forces that we at home are endeavoring to do our part in the national defense effort, our county must exceed its quota."

Wear a VFW Buddy Poppy on Armistice Day to honor the dead by helping the living.

Mrs. Sally Shelton Dies At Broadway

Mrs. Sally June Rosser Shelton, sister of Dr. R. J. Rosser of Vass, died Monday morning at her home in Broadway at the age of 78 years. She had been ill for some time.

Funeral services were held Tuesday morning from Broadway Presbyterian church and burial was in the Broadway cemetery.

Mrs. Shelton was born in Harnett county, daughter of the late Mary Kelly and Joe Rosser. She had lived in the Broadway section all her life.

Surviving are one son, Preston L. Morris, of Broadway; two brothers, Dr. Rosser of Vass and T. R. Rosser of Route 7, Jonesboro Heights Station; a sister, Mrs. M. J. Cameron of Selma, and several grandchildren and great-grandchildren.
