Freshmen Entertain Seniors

The freshmen of Vass-Lakeview high school honored the seniors at a party at Lakeview hotel recently. Senior colors of blue and gold were emphasized in refreshments and decorations. Swimming in the lake was followed by parlor games led by Vivian Ruth Matthews, Sally Richardson and Betty Jane Bellet. After refreshments of pimented cheese sandwiches, salted nuts, homemade cake and punch, the group went to the pavilion for square dancing. Miss Jane Lewis and Mr. and Mrs. W. E. Gladstone, freshmen and senior class sponsors, enjoyed the party with their students.

Lions Club Meets

The Lions club met Tuesday night of last week at the Lakeview hotel with 16 present, including one visitor, Dr. G. D. Zealand of Louisburg, who came over from Pinehurst where he was attending the Medical Society convention.

Plans were made for the broom and mat sale which is to begin Saturday, and for installing a signal light which the club has purchased, as a school safety measure. The light will be put up on Highway 1 at the school road intersection, to caution drivers on the highway and to stop drivers before entering the highway.

The next meeting is to be held at the community house at Lobelia.

Archibald McGill, Herbert Caddell and C. A. McLaughlin were named as a nominating committee, to report at the next meeting.

Mother's Day Call

Mrs. A. M. Cameron had a fine Mother's Day gift Saturday night: a conversation with her daughter, Mrs. P. B. Irby, in Germany, with a few words with little Susan Irby, also. She shared the pleasure with Mr. Cameron, Capt. and Mrs. Irby and the children, Susan and "Chip," will come home in October if no change in their plans comes about. They are getting along well and have had several nice trips during their stay.

Mother's Day Programs
The Children's department of the Methodist Sunday school presented an excellent Mother's Day program of songs and recitations Sunday morning, under the direction of Mrs. A. G. Edwards, Jr., Mrs. Russell Bullock, Miss Louise Leslie and Mrs. C. P. McMillan. They repeated several of the numbers at the Fellowship service Sunday evening, and the young adults sang a selection. Mrs. T. J. Whitehead read two poems.

There were special Mother's Day selections by the choir at the Presbyterian church Sunday morning, with Hugh McLean and Mrs. W. B. Kirby singing solo parts, and the Rev. C. K. Taffe brought a Mother's Day message. Charles Michael Gschwind, infant

son of Mr. and Mrs. Howard Gschwind, was baptized. Mr. Taffe announced that the evening service will be held the third Sunday night instead of the fourth, because of commencement.

Bible School

Workers from the Methodist church joined those from the Presbyterian church in a meeting last week to make plans for a joint vacation Bible school. June 2-5 was set as the date, and the school will be held at the Presbyterian church, with sessions from 8:45 to 11 a. m. each day, Monday through Friday.

In preparation for the school Mrs. Russell Bullock, Mrs. Eugene Hicks and Mrs. H. D. Jackson attended a meeting for Bible school workers at Raeford Tuesday.

Revival Closes

A series of revival services which attracted large crowds to the Vass Baptist church closed Friday night. Dr. Henry E. Walden, Jr., of Raleigh brought the messages each evening.

Joanne McRae gave her name for church membership.

Woman's Society Meets

Mrs. G. E. Griffin was hostess to the Methodist Woman's Society of Christian Service at the church Tuesday evening of last week.

Mrs. C. P. McMillan conducted the devotions and Mrs. H. A. Borst led the program, with Mrs. E. L. Finch, Mrs. W. H. Keith and Mrs. T. F. Cameron taking part.

Mrs. Borst also installed the following officers: Miss Ethel Davis, vice president; Miss Louise Leslie, promotion secretary and treasurer; superintendents—status of women, Mrs. W. H. Keith; Christian Social relations and local church activities, Mrs. W. A. Muse; supply work, Miss Jennie Cameron; missionary education, Mrs. E. L. Finch; literature and publications, Miss Bessie Cameron.

Mrs. W. D. Matthews led the Bible study and Mrs. Alex Smith, a guest, led the group in prayer.

Mrs. C. L. Tyson presided over the business session.

Mrs. G. W. Griffin assisted the hostess in serving refreshments.

Woman's Club

Mrs. C. L. Tyson, Mrs. C. J. Temple and Mrs. Leon Keith were hostesses to the Vass Woman's club at the home of Mrs. Tyson Friday night. Sixteen were present, a number being kept away by a severe storm, including a guest who was to have presented the program.

Plans for holding a fish fry at the picnic shed on the community house site Thursday, May 22, beginning at 6:30, were made.

The hostesses served refreshments.

Moves To Sanford

Mrs. W. T. Cox, who because of illness had been making her home with Mr. and Mrs. Clyde Cox for several months, moved to Sanford last Friday and is keeping house again.

Second Grade Child Hurt

Lewis Ring, 8-year-old son of Mr. and Mrs. Glenn Ring of Lakeview and a second grade pupil of Miss Bessie Cameron in the Vass-Lakeview school, had his right foot badly crushed by a large tractor wheel and his other leg and foot bruised in an accident on his father's farm Thursday of last week.

It is thought that the child's shirt became caught on a wheel as he was riding on the trailer and he was thrown up into the air, then came down with his right foot in the path of the wheel. The lad was treated at the hospital, then allowed to go home to be cared for.

FHA Program

"Stepping Stones to a Happy Home" was the title of a program given by the Vass-Lakeview FHA chapter Friday to interpret to eighth grade girls who will be in high school next year the type of activities carried out in the homemaking department. Joanne Chappell presided.

As Sally Richardson read the wonderful description of a home-maker as given in Proverbs 31: 10-31, ninth grade girls brought out stepping stones leading to a happy home and each pointed out how the work done in homemaking might well be based on the Bible verses. The stones were placed to form a walkway leading to a dream home, illustrating how the training in homemaking classes helps to prepare them not only for this home of the future, but to be better members of their families and community. The stones were family, health, finance, meals, budgeting, etc.

Girls who assisted in selecting the key words and in writing the comments were Betty Bellet, Joyce Brooks, Ruby Bullins, Betty Culler, Doris Hendrick, Eunice Howell, Vivian Ruth Matthews, Annie McIntosh, Ruth McIntosh, Bessie McNeill, Sheila Patterson, Mabel Rambeaut and Sally Richardson. Punch, homemade cakes and

salted nuts were served in a red and white color scheme, and red roses, the club flower, were used for decorating the department.

The homemaking students modeled clothes which they had made, thus giving the eighth graders a fashion show, program and tea to introduce them to what will be available for them next year.

Girls who had done outstanding work in FHA this year and club officers were given special recognition and degrees of achievement.

"I Thought the Gas Gauge was broken"

says Sam Pearce, Seattle, Wash. "If you want pickup, there isn't a car on the road, in any price class, that can beat the Rambler. Yet for economy, the gas gauge goes down so slowly you think it's broken."

It's TRUE. Nash Rambler owners are amazed at the sensational mileage they get. This is the car that holds the all-time record in the Mobilgas Economy Run with 31.05 miles per gallon! This in a real "red-hot" performer with so much room inside! This in such a smart and beautifully equipped car—the only car that comes to you with its many custom accessories at no extra cost!

Come see it. Especially, come drive it. Just take five minutes to discover something absolutely new in handling and parking ease . . . and new in performance, too!
