

### Man Has Fatal Attack In Car

Belton Williams, 48, Negro, of Pinehurst was the victim of a heart attack while in his car on West Broad street last Friday at 5:45 p. m.

Passersby observed the man at the wheel of his car, parked in front of Leroy Lee's, seemingly in a faint. Police and a physician were called, and it was established that he was dead.

He had his week's groceries, just purchased, in the car. Apparently feeling the attack coming on, he had reached a parking place as soon as he could and was bumper-to-bumper with the car ahead.

Williams was janitor at the Pinehurst school for a number of years. He resigned several months ago on account of a heart condition, and had recently undergone hospitalization for the same reason.
