

# Blue And White Opens Season Here With 52-0 Victory Over Carthage

By DUKE and ROD WHITING

They say that practice makes perfect. If that's the case, the team that Coach Irie Leonard put on Southern Pines Memorial field Wednesday afternoon had all the attributes of a squad in training for the entire summer, although pre-season toughening was limited in reality to about three weeks. This was an impressive team Wednesday afternoon, and they rolled up an impressive score, which benefited the Blue and White in more ways than one. When the pigskin patrol from Carthage found themselves on the short end of a 52 to 0 score, Southern Pines won not only a material victory, but a psychological one as well. This margin of 52 points over a highly touted Carthage team gives fair warning to the other squads in the Moore County conference, those of Aberdeen, Pinehurst, West End, and Robbins, that the gridiron gang from Southern Pines asks no quarter for victory.

**First Quarter**  
Carthage won the toss and elected to receive; Southern Pines chose the south goal to defend. Carl Bowers, 162-pound Blue and White back, lashed the laced leather and the game was under way. Carthage received on about their own 15 yard line and in two downs gained negligible yardage. The Green and White punted on third down and David Woodruff gathered the ball in and galloped 50 yards before he was brought down by Carthage grapplers. Two ground-gaining plays followed, executed ably by Driving Joe (Tank) Smith, and then, Matthews, on a hand-off from Huntley, scurried around left-end for touchdown number one. Tommy Ruggles converted, with Woodruff holding, and the score was: Southern Pines 8, Carthage 0.

When Carthage gained possession of the ball again, Jackson passed complete to Baker for 50 yards, putting the Green and White six on about the Southern Pines 20-yard line. On the resulting first down, Jackson passed again, but the ball must have been color-blind and the Southern Pines pass defense strong because David Woodruff intercepted and trotted for 40 yards before he was downed. This play was nullified, however, by an offside penalty lodged against Southern Pines.

Carthage then took to the ground, but found the Blue and White line as invulnerable as its pass defense. On fourth down Carthage gambled on a pass from punt formation and lost. Southern Pines ball, first and fifteen, at the end of the first quarter.

**Second Quarter**  
First quarter score: Southern Pines 8, Carthage 0.

With the pigskin on the Carthage 30, Southern Pines was off on another touchdown tangent. On the first play from scrimmage, Ruggles flipped to Joe Smith for 20 yards, placing the ball on the Carthage 10. On the first down, Billy Huntley, alert quarterback for the Blue and White, sneaked

through the hole his line had punctured in the Carthage forward wall, for 5 yards before being spilled by the Green and White secondary. Smith, on a delayed buck, was stopped on the Carthage 4. Then Huntley pulled a reverse from his bag of tricks and sent Billy Cox, 160-pound freshman inside left end for the tally. Ruggles converted and Southern Pines breathed a bit easier with a 16 to 0 score.

Carthage safety-man Buddy Baker took Bowers' kick, but only managed to drive to his own 26 marker. Carthage strategy again chose to take to the air only to be thwarted by Jim Matthews, who pulled in the pellet and streaked to the Carthage 37 where he was met with a driving tackle by the Blue and White had that scoring gleam in their eye and they were not to be denied. Set up on plays by Huntley, Luketz, and Smith, Jim Matthews again spread wings and flew around left end for the touchdown. Ruggles' conversion was blocked by the strong left side of the Carthage line, primarily Ralph Gilmore and J. D. Monroe, and the score read: Southern Pines 22, Carthage 0.

Carthage, still trying to pick up steam, completed a short pass from Don Jackson to Billy Holder for 4 yards. The Green and White drive could not gain momentum, though, and a desperate pass on fourth down was intercepted by Woodruff. With two minutes to go before the half, Matthews, behind beautiful blocking romped down the sidelines for 60 yards and another 6 points for the Blue and White. Ruggles' kick split the uprights and Southern Pines led 30 to 0.

**Third Quarter**  
To add insult to injury, David Woodruff slipped and swivel-hipped his way down the field for the Blue and White fourth tally of the day, returning the Carthage kick-off from his own 20. Ruggles gashed the goal posts again and the score bulged to Southern Pines 38, Carthage 0.

The flame of spirit in the Carthage team glowed again when, on the first play from scrimmage, the Green and White's Billy Holder passed complete to Don Jackson for 30 yards. But the attack bogged down again for Carthage and they lost the ball on downs, even though deep in Blue and White territory. The ball, now in the Blue and White's possession, found its way again to Woodruff's hands. And again that number 38 found its way through the entire Carthage team for another Southern Pines marker. Ruggles' kick was blocked. The score: 44 to 0.

Carthage, unable to function co-ordinately, punted on fourth down, after being stopped by the Southern Pines defensive unit. The ball soared out of bounds on the Southern Pines 36-yard line. Southern Pines again was on the scoring prowl and drove to the

Carthage 15 as the third quarter ended.

**Fourth Quarter**  
The first play of the fourth quarter was the final play of the ball game. Huntley flipped over center to Carl Bowers for the seventh and last touchdown for the Blue and White. Ruggles' conversion was good and the final score was Southern Pines 52, Carthage 0. The referee stopped the game at this point, because Southern Pines was over 45 points ahead. This is a special six-man football rule.

# Variety Adds Spice To Week's Docket In County Court

One year on the roads was the sentence pronounced in recorders court Monday by Judge J. Vance Rowe for Harvey Beasley, 19-year-old Raleigh native, who was charged with assault with a deadly weapon. Beasley used a .22 calibre rifle at Pinehurst in the action for which he was arrested. He had been living at Eagle Springs.

The year's road term was the toughest sentence meted out in court Monday, although several high fines were levied.

One of the most expensive of the day's sentences proved to be that of Lee Barney, West End Negro, who crashed his car into the Aberdeen and Rockfish railroad crossing signal near the Geigy plant outside Aberdeen on Labor Day. Pleading not guilty Monday to careless and reckless driving, he was found guilty and was sentenced to 60 days on the roads, suspended on payment of court costs and the damage to court signal. This was estimated at about \$200 at the time of the accident.

A fine that reflected the length of the string of charges against him was levied in the case of Clarence McKeithen, 27-year-old Negro. A three-months' road term was suspended on payment of \$200 fine and the costs. He was charged with drunken driving, careless and reckless driving, driving with no license, carrying a concealed weapon and damage to state property. Already revoked, his driver's license was revoked for another two years.

A violation of the weights and measures law was charged in the case of Roy Whitley, 45, of Albemarle, who pleaded guilty. Judgment was continued on payment of the costs and on condition that he sell bread that weighs a pound per loaf as required by law. This case followed several weights and measures cases in court last week. Here is a summary of other cases tried Monday:

James Walker McPherson, driving without license, \$10 and costs; Worth Lee Mangum, drunken driving, 60 days on roads, suspended on \$100 fine and costs, license revoked one year; Charles E. Murchison, speeding 65 mph, \$15 and costs. J. B. Williams, careless and reckless driving, 30 days on roads or \$25 and costs. Isaac McNeill, careless and reckless and drunken driving, 60 days on roads or \$100 and costs, license revoked one year; Hollis L. Ward, speeding, \$25 and costs. John H. McDonald, careless and reckless driving, no license, \$25 and costs.

Also: Eddie Junior Thomas, careless and reckless driving, \$25 and costs; Hugh Bryant Morgan, driving without license and Fred Martin, permitting unlicensed person to drive his car, \$100 fine and one-half costs for Thomas, one-half the costs for Morgan; John Harris Rummage, driving without lights, \$10 and costs; Harold Gene McNeill, passing in no-passing zone, \$15 and costs; Roy W. Berry, driving after license revoked, 30 days or \$200 and costs; Page P. Ballard, assault with a deadly weapon, not guilty; Grover Lee Mills, drunken driving, no license, 60 days on roads or \$200 and costs; Benjamin David Sineath, driving without license, \$15 and costs; Otis Maness, driving after license was revoked and violation of prohibition law, 60 days on roads or \$200 fine and costs, license revoked; Wayne Allen Brown, public drunkenness, cursing and fighting, 60 days on roads to run concurrently with former three-months' sentence, appeal entered, bond \$350.

ish, and United States amateur championships.

John Palmer of Charlotte averaged \$13,872 over a six-year period, 1946-1951, won the Western open in 1947 and the Canadian open this season with a record score of 263.

Clayton Heafner, Charlotte, was twice runnerup in the National open, to Cary Middlecoff in 1949, and to Ben Hogan in 1951.

Tommy Holt, Durham, was winner of the Los Angeles open this year with 289.

"Skip" Alexander, Lexington, who was critically injured in a private plane crash in the fall of 1950, has made a remarkable comeback and is on tournament trail again. He once won the National Capital open over the Prince Georges course.

Billy Patton, Morganton, was Carolina amateur champion in 1951 and 1952, and was runnerup in the North Carolina PGA, which included professionals.

## MOORE COUNTY HOSPITAL AUXILIARY IS SETTING UP VOLUNTEER WORK PLAN

Duke Official To Speak At First Fall Meeting October 7

Mrs. Julian M. Ruffin of Durham, head of Volunteer Work at Duke hospital, will be guest speaker at the first fall meeting of the Moore County Hospital auxiliary, to be held at 10:30 a. m., October 7 at the nurses' home, and Mrs. A. P. Thompson of Pinehurst, chairman of volunteer workers for the Moore county organization, invites both members and non-members to make their plans to hear her.

Mrs. Ruffin will speak on the volunteer work as it is successfully carried on at Duke hospital, and information she will give is expected to be of great value to Auxiliary members in Moore county, where this volunteer work is under process of being established. Non-members who are considering offering their services will also find Mrs. Ruffin's explanation of the work at Duke of vital interest, it is believed.

A move to make the Women's Auxiliary a working organization as well as a money-raising organization has the full approval of the executive committee of the hospital, as is evidenced by the following resolution which was unanimously adopted by that group:

"The Executive Committee of Moore County hospital gladly approves and accepts the plan of the Women's Auxiliary of Moore County hospital for volunteer service by its members in the work of the hospital; and suggests that the Auxiliary proceed to work out the details for putting it into effect."

service to our hospital. "Will you be willing to be one of our volunteers and give a half day a week to one of the following types of service: secretarial, aid to nurses, patients' library, flowers, reception desk, mail service, telephone, clerical, aid to dietitian, and other services which will be of help to our hospital. "It is the plan to interview each volunteer and place her in a service which suits her and where volunteer help is needed. "We hope to prove that our aux-

iliary is worthy of the opportunity and responsibility that has now been given to it and will be proven as great a help as our past support to the hospital has been. "Please advise us on the enclosed card if we may count upon you to be a volunteer worker to wear the 'Cherry Red Smock' and emblem as a volunteer worker of the Woman's Hospital Auxiliary." It is important that the cards be sent back with the necessary information. Other interested persons who did not receive cards and letters are asked to get in touch with Mrs. A. P. Thompson at Pinehurst.
