She was married to Dr. McMillan in 1909, and in 1918 moved from Hemp to Candor, where she was active in the work of the Presbyterian church, serving many years as pianist and teacher of the women's Bible class. Tener's Bird House Is Now Open

Mr. and Mrs. Arthur Tener of Niagara are announcing the opening of Tener's Bird House, the first pet shop to be opened in the Sandhills.

They have erected a small building in the yard of their home in Niagara, and Tuesday night received their first shipment of parakeets from Florida, 18 beautiful little birds of various shades of blue, also green and turquoise.

They plan to carry, in addition to these little parrots that sing and can be taught to talk, a stock of gold fish, tropical fish, aquatic plants, together with cages and stands, aquariums, fish food, bird seed, gravel, and even toys for birds.

Mr. Tener is office manager for the Southern Pines Warehouses Inc., and Mrs. Tener is bookkeeper there, so they will have their pet shop open only after 5 p. m. on weekdays and after 12 noon over the weekends.

They have been toying with the idea of opening a shop of this kind for several months. They purchased a parakeet as a pet a little over a year ago, and during that time have been ordering their food from a distant State. Their pleasure in the ownership of this bird plus the inconvenience of supplying its needs finally turned the trick, and they are enthusiastic over the new venture.

"We have built a cage and put a tree in it," Mrs. Tener explained, "and when those 18 birds of different colors perched on it, it was a beautiful sight."

Fashion Show Will Open Girl Scout Fund Raising Drive

The USAFAGOS Officers Wives club will open the Girl Scout drive with a fashion show at 8:15 November 7. The Elks have generously contributed the use of the country club for the evening, and lovely models will show new Fall styles from Patch's, Inc. Coffee will be served in the lounge following the fashion show. All proceeds from this event will go to the Girl Scouts.

There will be a strong drive for

funds to finance the Girl Scouts of Southern Pines, during the week of November 9 through 15. A committee consisting of Angelo Montesanti, Jr., chairman, George H. Leonard and John C. Ostrom, are hard at work planning the campaign. Mrs. D. E. Wilson has consented to head the drive in West Southern Pines, where there are three scout troops.

It is expected that every resident in Southern Pines will be contacted with the aim of encouraging a small contribution from each. A sum of \$2,100, must be raised to finance the eight troops in 1953. Mr. Leonard will serve as advance gifts chairman, and all are urged to send their contributions early. Checks should be made payable to Girl Scouts of America.

The minimum loan rate on 1952-crop flue-cured tobacco will be 50.6 cents a pound, compared with 50.7 cents for the 1951 crop.
